

Academic Council Committee – 2024-25 Academic Year

Purpose

To uphold and enhance the academic standards of A.M. Reddy memorial college of Engineering and Technology by planning, implementing, and reviewing academic strategies, policies, and quality improvement initiatives.

Functions

- Formulate and approve academic plans and policies
- Monitor implementation of academic strategies
- Review curriculum and suggest improvements
- Ensure quality enhancement in teaching and learning
- Provide guidance on academic matters and innovations
- Evaluate performance of departments and suggest reforms
- Promote faculty development and research initiatives

Objectives of the Academic Council Committee

- **Ensure Academic Excellence**
Promote high standards in teaching, learning, and evaluation across all departments.
- **Strategic Academic Planning**
Develop and implement long-term academic strategies that align with the college's vision and goals.
- **Curriculum Development & Review**
Regularly assess and update the curriculum to meet evolving educational and industry needs.
- **Quality Assurance & Enhancement**
Monitor academic quality through feedback, audits, and performance metrics to foster continuous improvement.
- **Faculty Empowerment**
Encourage professional development, research, and innovation among faculty members.
- **Student-Centric Initiatives**
Recommend policies and programs that enhance student learning outcomes and overall academic experience.
- **Interdisciplinary Collaboration**
Promote cross-departmental initiatives and academic partnerships to enrich the educational ecosystem.

- **Policy Guidance**

Advise the institution on academic policies, regulations, and reforms to maintain institutional integrity and compliance.
