3. Suggestions and Recommendations from Members

The following suggestions were given by the University Nominees (Dr. G. Padmaja Rani garu, Dr. V. Ravindra garu and Dr. M. H. M. Krishna Prasad garu):

- The presentation should start with the **Minutes of the Previous Meeting** and the **Action Taken Report (ATR)**of the previous meeting.
- **Analyze the reasons for failure** in specific subjects and departments (e.g., BEEE, BCME), and determine if the issue is with the **students, teaching methodology, or a need for rectification**.

- The comparison of results with previous years (e.g., 8% to 34.88%) shows a **phenomenal change** which is not a good trend
    - The **variation should be about 5%** to give **credibility** to the institution's evaluation methods.
- **Follow the University-suggested regulations and guidelines** by Dr. M. H. M. Krishna Prasad.
- Re-evaluation should only be suggested for students confident in their performance, particularly those on **border cases**.
- Future presentations must be **complete** and consolidated, covering **all aspects of the institute's performance**.
    - **Student Achievements** (e.g., GATE, other competitive exams).
    - **Extracurricular Activities** (e.g., sports, events).
    - **Placements**.
- The title for M.Tech Structural Design should be changed to **M.Tech Structural Engineering** as it is the more popular and in-demand title.

4. Revision of Question Paper Format

- The Academic Council is requested to consider and approve a revision in the **internal assessment question paper format**.
- The existing section comprising **10multiple-choice questions (MCQs)**each of 1 mark is proposed to be discontinued.
- In its place, **five mandatory short answer questions** will be introduced, each carrying 2 marks.
- This change is intended to promote conceptual understanding and improve students' written articulation.

- The Council is further requested to ratify the implementation of this revised format across all departments, effective from the current academic session.

5. Conclusion

The Academic Council meeting concluded with a vote of thanks.
