ACTION TAKEN REPORT

Name of the Stakeholder: Student

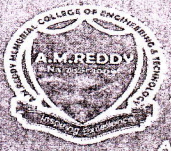

Academic Year: 2022-2023

The feedback is collected and analyzed at college academic meetings in the institution. Student feedback above 75% is considered as positive feedback and below that as average feedback and we are working for the improvement.

S. No	Questions	Feedback /Concern	% Consensus	Action to be taken
1	Rate the relevance of curriculum syllabus to course	V.Good	94	To sustain the same production, we will continue to be rigorous.
2	Rate the extent of syllabus covered in the class	V.Good	92	To make sure the syllabus is well covered in advance and to leave ample time for revision and the identification of weak students.
3	Rate the usage of teaching aids in the class by faculty to facilitate teaching.	Excellent	95	We will keep up with the pace of the most advanced tools and will use them in the dynamic environment of AMR.
4	Rate the offering of the elective in terms of relevancy to the curriculum.	Excellent	95	We'll strive to offer more electives.
5	Rate the size of the syllabus in terms of the load of the student.	V.Good	94	We don't have much power over the curriculum. However, we will advise the university in light of the comments.
6	Rate the out of the class room learning (Guest lectures, seminars, workshops, value added programs, conferences)	Good	90	We are coordinating with visiting professors to give guest lectures at our institution
7	Rate the Transparency in the assessment processes	Excellent	95	The suggestions are welcome. By taking into account the academic complaints submitted by students in the suggestion box,
8	Rate the promptness in evaluating the answer scripts	Good	92	We'll keep being cautious and make sure the answer sheets are quickly examined.
9	Rate the opportunity for students to participate in internship, student exchange and field visit	V.Good	93	To facilitate field trips for our students, we are collaborating with various companies.
10	Rate the opportunities in the college for research activities.	Excellent	95	We think that the first stage towards innovation is research. We'll keep giving people more chances to conduct research.

ACTION TAKEN REPORT

Name of the Stakeholder: Faculty

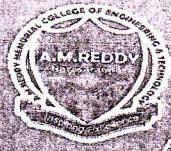

Academic Year: 2022-2023

The feedback is collected and analyzed at college academic meetings in the institution. Faculty feedback above 75% is considered as positive feedback and below that as a average feedback and we are working for the improvement.

S. No	Questions	Feedback /Concern	% Consensus	Action to be taken
1	Rate the course content present in syllabus	Excellent	95	Our curriculum aligns with the latest engineering advancements to equip students with in-demand skills for employment
2	Rate the Relevance of text book and reference book	Very Good	89	Textbooks are essential for students to review and reinforce lessons taught, aiding in retaining course material.
3	Rate the updated concepts in the curriculum	Excellent	99	We encourage and give a free hand to teachers to come up with updated concepts.
4	Rate the relevance of practical content to theory	Very Good	93	We will continue the same rigor in arranging field trips to maintain balance between theory and practical application
5	The course outcome is well defined and clear	Very Good	94	We can give collective suggestions only on curriculum design to achieve clear and well-defined outcomes but, we cannot do individually
6	Rate the effectiveness of curriculum to face competitive exams	V. Good	91	To maintain placement classes regularly to face competitive exams.
7	Rate the relevance of the industry needs	V. Good	93	We can interact industries regularly for getting internships from the advanced technology contents.
8	Rate the freedom to propose, modify, suggest and incorporate new topics in the syllabus through proper forum	Good	86	We cannot modify the syllabus as we are affiliated to JNTUK, we follow the curriculum designed by the university
9	Rate the relevance of the curriculum to the society needs	Very Good	91	We give collective suggestions on curriculum design to achieve clear and well-defined outcomes
10	Rate the opportunities for employment and entrepreneurship	Excellent	96	We encourage students to learn innovative technologies, products, and services

ACTION TAKEN REPORT

Academic Year: 2022-2023

Name of the Stakeholder: Alumni

The feedback is collected and analyzed at college academic meetings in the institution. Alumni feedback above 75% is considered as positive feedback and below that as a average feedback and we are working for the improvement.

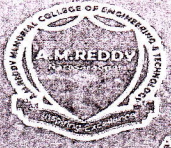

S. No	Questions	Feedback /Concern	% Consensus	Action to be taken
1	How appropriate is the curriculum and syllabus content for your placement/higher education?	V.Good	91	We will to retain the same results, we'll keep doing things the same way
2	Rate Experiential learning of the course	Very Good	89	We will enhance experiential education to produce better results
3	Rate the transparency of the academic processes of the institute	Excellent	97	We'll keep striving for excellence.
4	Rate the availability of relevant reading materials and digital resources in the library.	Excellent	97	For optimum quality, we'll stick with the current method of action
5	Rate co-curricular activities arranged during your study period	Very Good	86	We will enhance the alumni comments and take their suggestions into consideration.
6	Rate the Academic initiatives undertaken for the benefit of students.	Excellent	100	For the benefit of the students, we shall proceed as before.
7	Rate the improvement of your inter and intra personal skills during your study period.	V.Good	91	To keep the same result, we shall plan using the same structure.
8	Rate the usefulness of institute-industry tie ups	V.Good	91	For the sake of the students, we'll keep doing what we're doing.
9	Rate the training and placement support in the curriculum	V.Good	91	We shall adhere to the same course of action while interviewing students on campus.
10	Rate the learning support ambience of the college	Excellent	97	We'll keep the atmosphere the same

ACTION TAKEN REPORT

Academic Year: 2022-2023

Name of the Stakeholder: Employer

The feedback is collected and analyzed at college academic meetings in the institution. Employer feedback above 75% is considered as positive feedback and below that as a average feedback and we are working for the improvement.

S. No	Questions	Feedback /Concern	% Consensus	Action to be taken
1	Rate the Technical knowledge and skills of the student	Very Good	89	We'll maintain our current level of diligence to ensure consistent performance and outcomes
2	Rate the student ability to work in teams	Very Good	89	Increase team-building activities to cultivate strong teamwork skills and develop students into effective team players.
3	Rate the offering of electives in relation to technological advancements.	Very Good	91	Taking feedback into account, we aim to motivate students to select electives relevant to advanced technology in the curriculum.
4	Rate the communication skills of the students	Excellent	97	Deliver CRT classes to eligible students.
5	Rate your level and satisfaction with teaching / learning facilities provided by the college	Very Good	89	Enhancing learning facilities by providing advanced laboratories and a digital library, among other amenities.
6	Rate the students managerial and leadership qualities	Very Good	91	Proceed with the same approach for the benefit of the students.
7	Rate the training and placement support in curriculum	Very Good	94	We will continue the rigor in conducting training programs to the eligible students
8	Rate the relevance of the curriculum for employability	Very Good	91	We are providing additional add-on courses & CRT classes for eligible students to increase employability skills
9	Rate the student's ability to learn and mould themselves in the industrial practices	Very Good	94	Industry institute partnership facilities students to learn and mould themselves in the industrial practices
10	Overall impression about the college	Very Good	94	Working for better learning ambience by providing advanced laboratories, digital library
