**4. Eco-Friendly Practices Demonstrations:** Participants demonstrated eco-friendly practices, showcasing alternatives to single-use plastics, such as reusable bags and bottles.

### Outcomes:

- Increased green cover in the village due to tree plantation efforts.
- Cleaner surroundings and improved hygiene following the successful clean village campaign.
- Enhanced awareness and understanding of environmental issues among the villagers.
- Adoption of eco-friendly practices and recycling initiatives within the community.

**Conclusion:** The Environmental Conservation event in Kotappakonda Village, led by 38 dedicated NSS students, effectively fulfilled its objectives by raising awareness, engaging in practical conservation efforts, and promoting responsible environmental practices. The initiative contributed to a cleaner, greener, and more environmentally conscious village, underlining the significance of community-driven environmental conservation. We express our gratitude to all participants, volunteers, and the villagers of Kotappakonda for their active participation and commitment to the cause of environmental conservation.

**4. Role-Plays and Skits:** Volunteers performed role-plays and skits to illustrate the impact of child marriage on young lives and communities, conveying powerful messages.

**5. Community Pledges:** A significant part of the program involved community members taking a pledge to prevent child marriages, committing to support the education and aspirations of children.

**Outcomes:**

- Increased awareness within the community about the adverse effects of child marriage.
- Empowerment of community members, especially parents and youth, to actively prevent child marriages.
- Enhanced support and protection for vulnerable children through community pledges.

**Conclusion:** The Child Marriage Prevention Awareness NSS Program, led by 36 committed NSS students, successfully fulfilled its objectives by raising awareness about the harmful consequences of child marriage and empowering communities to prevent such practices. The program plays a critical role in protecting the rights and future of young individuals. We express our appreciation to all volunteers and community members for their active participation and dedication to this crucial cause.

the theoretical concepts discussed. The participants actively embraced their roles as environmental stewards, displaying enthusiasm and commitment throughout the event. Practical tips on pollution control, ranging from reducing single-use plastic to conserving energy, were shared to empower participants with actionable insights. Moreover, volunteers distributed informative pamphlets to extend the campaign's reach beyond the immediate participants. The collective efforts of the NSS unit and the enthusiastic engagement of the participants rendered the campaign not only educative but also transformative, as it sowed the seeds for a community committed to adopting eco-friendly practices.

In conclusion, the "Awareness Campaign on Pollution Control" emerged as a resounding success, leaving an indelible mark on the participants' environmental consciousness. The NSS unit extends heartfelt gratitude to all volunteers whose dedication and active involvement contributed to the event's success. Moving forward, it is hoped that the ripple effect of this campaign will continue to inspire positive environmental action, fostering a community that champions sustainability and strives towards a cleaner, greener future.
