A.M. Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. M. Rama Krishna, here in after referred to as AMRN;

Both VLITS and AMRN are collectively referred to as the Parties and individually as a Party. Whereas, VLITS is an Autonomous institution offering various undergraduate and postgraduate programs in engineering disciplines with excellent state-of-the-art infrastructure and facilities;

Whereas, AMRN is an affiliated institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

Whereas, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives:

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope:

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications.

The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

VLITS: Name of the Coordinator: Dr. Jemimah Carmichael Designation: Dean, IQAC Email id: deaniqac@vignanolara.org Whatsapp no: 9487899987	AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Assoc. Prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854
---	--

4. Duration:

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of three years from **June 2017 to May 2020**. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination:

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment:

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration:

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous:

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

To,

The principal,
Priyadarshini Institute of Technology and Science,
Chintalapudi, Dugirala,
Guntur,
Andhra Pradesh 522306,

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Priyadarshini Institute of Technology and Science - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

Principal,

Principal

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. M. Ramakrishna, hereinafter referred to as AMRN;

And

Priyadarshini Institute of Technology & Science

Chintalapudi Near Tenali Guntur-522 306.

Under Management of INDIRA EDUCATIONAL Society, Hyderabad.

College Code:X2, Recognised by Govt of A.P.

Approved by AICTE, New Delhi & Affiliation to JNTU Kakinada.

Priyadarshini Institute of Technology and Science, Chintalapudi, Dugirala, Andhra Pradesh, India, represented by its principal, Dr. N Lakshmi Narayana, here in after referred to as PITT;

Both AMRN and PITT are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, PITT is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the Necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>PITT: Name of the Coordinator: Shaik Sahir Designation: Assoc.Professor in Electronics and Communication Engineering Email id: sahirshaik1@gmail.com Whatsapp no: 9985362863</p>
---	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2018 to June 2019. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

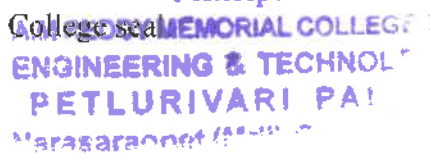

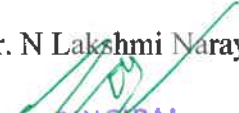

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHERE OF, both the Parties have signed this MOU on the date and place mentioned below:

<p>For AMRN</p> <p>Principal signature and name:</p> <p> Dr. M. Ramakrishna Principal</p> <p>College seal: </p>	<p>For PITT</p> <p>Principal signature and name:</p> <p> Dr. N Lakshmi Narayana</p> <p>College seal: </p>

Guntur,
Andhra Pradesh 522306,

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Priyadarshini Institute of Technology and Science - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

Principal,

Principal

A.M REDDY MEMORIAL COLLEGE OF
ENGINEERING & TECHNOLOGY
PETLURIVARI PALEM
Narasaraopet (M.A.P.) Guntur, Dist.

MOU

This Memorandum of Understanding (MOU) is made on this 22th day of July, 2019 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. CH. Mallikarjun, hereinafter referred to as AMRN;

And

Priyadarshini Institute of Technology & Science
Chintalapudi Near Tenali Guntur-522 306.
Under Management of INDIRA EDUCATIONAL Society, Hyderabad.
College Code:X2, Recognised by Govt of A.P.
Approved by AICTE, New Delhi & Affiliation to JNTU Kakinada.

Priyadarshini Institute of Technology and Science, Chintalapudi, Dugirala, Andhra Pradesh, India, represented by its principal, Dr. N Lakshmi Narayana, here in after referred to as PITT;

Both AMRN and PITT are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, PITT is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the Necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. --	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2019 to June 2020. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

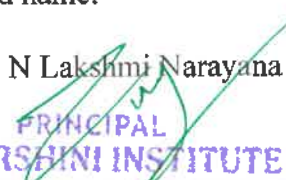

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>PITT: Name of the Coordinator: Shaik Sahir Designation: Assoc.Professor in Electronics and Communication Engineering Email id: sahirshaik1@gmail.com Whatsapp no: 9985362863</p>
---	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from September 2021 to June 2022. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

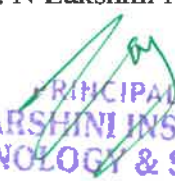

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHERE OF, both the Parties have signed this MOU on the date and place mentioned below:

To,

The principal,
Priyadarshini Institute of Technology and Science,
Chintalapudi, Dugirala,
Guntur,
Andhra Pradesh-522306,

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Priyadarshini Institute of Technology and Science - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

Principal,

Principal

A.M. REDDY MEMORIAL COLLEGE OF
ENGINEERING & TECHNOLOGY
PETLURIVARI PALEM,
Narasaraopet (Dist) Guntur

MOU

This Memorandum of Understanding (MOU) is made on this 23th day of July, 2022 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. Naga Venkata Ratna Kumar Kurapati, hereinafter referred to as AMRN;

And

Priyadarshini Institute of Technology & Science

Chintalapudi Near Tenali Guntur-522 306.
Under Management of INDIRA EDUCATIONAL Society, Hyderabad.
College Code: X2, Recognised by Govt of A.P.
Approved by AICTE, New Delhi & Affiliation to JNTU Kakinada.

Priyadarshini Institute of Technology and Science, Chintalapudi, Dugirala, Andhra Pradesh, India, represented by its principal, Dr. N Lakshmi Narayana, here in after referred to as PITT;

Both AMRN and PITT are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, PITT is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the Necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>PITT: Name of the Coordinator: Shaik Sahir Designation: Assoc.Professor in Electronics and Communication Engineering Email id: sahirshaik1@gmail.com Whatsapp no: 9985362863</p>
---	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2022 to June 2023. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

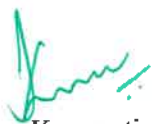

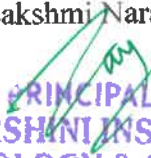

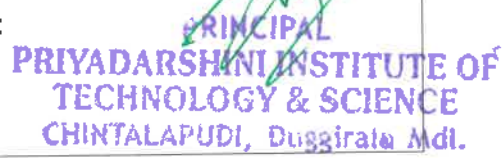

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHERE OF, both the Parties have signed this MOU on the date and place mentioned below:

<p>For AMRN</p> <p>Principal signature and name: </p> <p>Dr. Naga Venkata Ratna Kumar Kurapati</p> <p>College seal: </p> <p>Principal AM Reddy Memorial College of Engineering Science and Technology Vinukonda road, Petlurivaripalem (V), Narasaraopet -522 601, A.P., India</p> <p>Date: 23-07-2022 Place: Narasaraopet</p> 	<p>For PITT</p> <p>Principal signature and name: </p> <p>Dr. N Lakshmi Narayana</p> <p>College seal: </p> <p>Principal Priyadarshini Institute of Technology and Science Chintalapudi, Dugirala, Guntur - 522 306, A.P., India</p> <p>Date: 23-07-2022 Place: Narasaraopet</p>

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from June 2018 to June 2019. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHERE OF, both the Parties have signed this MOU on the date and place mentioned below:

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Priyadarshini Institute of Technology & Management - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

MOU

This Memorandum of Understanding (MOU) is made on this 28th day of June, 2019 between:

A.M. REDDY MEMORIAL COLLEGE OF ENGINEERING AND TECHNOLOGY

Approved by AICTE, New Delhi, Affiliated to JNTUK-Kakinada

Web : www.amreddyengineering.ac.in, E.mail: principal.amreddyengineering@gmail.com

VINUKONDA ROAD, PETLURVARIPALEM (POST), NARASARAOPET, GUNTUR (DIST), ANDHRA PRADESH, PIN:522601, 08647-247190.

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. M. Ramakrishna, hereinafter referred to as AMRN;

And

PRIYADARSHINI INSTITUTE OF TECHNOLOGY AND MANAGEMENT

5th mile, Pulladigunta, Guntur-522017,A.P.

APPROVED BY A.I.CIT.E. NEW DELHI & AFFILIATED TO J.N.T.U KAKINADA

Priyadarshini Institute of Technology & Management, Pulladigunta, Guntur, Andhra Pradesh, India, represented by its principal, Dr. D.V.V.S.Phani Kumar, hereinafter referred to as PIIT;

Both AMRN and PIIT are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, PIIT is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the Necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the

conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	PIIT: Name of the Coordinator: K.Kiran Kumar Designation: Assoc.Professor in Computer Science and Engineering Email id: pitmnacc@gmail.com Whatsapp no: 9494763240
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from June 2019 to June 2020. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHERE OF, both the Parties have signed this MOU on the date and place mentioned below:

- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac in Whatsapp no. 7013447854	PIIT: Name of the Coordinator: K.Kiran Kumar Designation: Assoc.Professor in Computer Science and Engineering Email id: pitmnacc@gmail.com Whatsapp no: 9494763240
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from September 2021 to June 2022. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

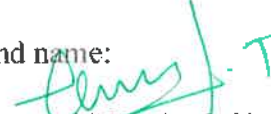

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHERE OF, both the Parties have signed this MOU on the date and place mentioned below:

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Priyadarshini Institute of Technology & Management - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

MOU

This Memorandum of Understanding (MOU) is made on this 20th day of July, 2022 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. Naga Venkata Ratna Kumar Kurapati, hereinafter referred to as AMRN;

And

PRIYADARSHINI INSTITUTE OF TECHNOLOGY AND MANAGEMENT

5th mile, Pulladigunta, Guntur-522017,A.P.

APPROVED BY A.I.C.I.T.E. NEW DELHI & AFFILIATED TO J.N.T.U KAKINADA

Priyadarshini Institute of Technology & Management, Pulladigunta, Guntur, Andhra Pradesh, India, represented by its principal, Dr. B.Kiran Kumar, here in after referred to as PIIT;

Both AMRN and PIIT are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, PIIT is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars.** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the Necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the

conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	PIIT: Name of the Coordinator: K.Kiran Kumar Designation: Assoc.Professor in Computer Science and Engineering Email id: pitmnacc@gmail.com Whatsapp no: 9494763240
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2022 to June 2023. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHERE OF, both the Parties have signed this MOU on the date and place mentioned below:

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2018 to June 2019. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

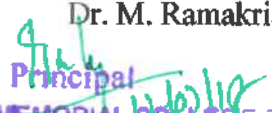

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

To,
The principal,
Narasaraopeta Engineering College,
Kotappakonda Road, Narasaraopet,
Andhra Pradesh.

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Narasaraopeta Engineering College - reg.

Greetings from A. M. Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

Principal

 ENGINEERING & TECHNOLOGY
 PETLURIVARI PALEM

MOU

This Memorandum of Understanding (MOU) is made on this 20th day of July, 2019 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. M. Ramakrishna, hereinafter referred to as AMRN;

And

Narasaraopeta Engineering College, Kotappakonda Road, Andhra Pradesh, India, represented by its principal, Dr. M. Sreenivasa Kumar, hereinafter referred to as NEC;

Both AMRN and NEC are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, NEC is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

I. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>NEC: Name of the Coordinator: Dr B Venkata Siva Designation: Professor in Mechanical Engineering Email id: venkatasivanec@gmail.com Whatsapp no: 9692464540</p>
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2019 to June 2020. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

MOU

This Memorandum of Understanding (MOU) is made on this 6th day of September, 2021 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. CH. Mallikarjun, hereinafter referred to as AMRN;

And

Narasaraopeta Engineering College, Kotappakonda Road, Andhra Pradesh, India, represented by its principal, Dr. M. Sreenivasa Kumar, hereinafter referred to as NEC;

Both AMRN and NEC are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, NEC is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>NEC: Name of the Coordinator: Dr B Venkata Siva Designation: Professor in Mechanical Engineering Email id: venkatasivanec@gmail.com Whatsapp no: 9692464540</p>
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from September 2021 to June 2022. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

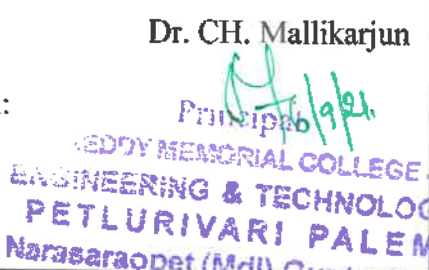

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

To,
The principal,
Narsaraopeta Engineering College,
Kotappakonda Road, Narasaraopeta,
Andhra Pradesh.

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Narsaraopeta Engineering College - reg.

Greetings from A. M. Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

MOU

This Memorandum of Understanding (MOU) is made on this 22th day of July, 2022 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. Naga Venkata Ratna Kumar Kurapati, hereinafter referred to as AMRN;

And

Narasaraopeta Engineering College, Kotappakonda Road, Andhra Pradesh, India, represented by its principal, Dr. M. Sreenivasa Kumar, hereinafter referred to as NEC;

Both AMRN and NEC are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, NEC is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>NEC: Name of the Coordinator: Dr B Venkata Siva Designation: Professor in Mechanical Engineering Email id: venkatasivanec@gmail.com Whatsapp no: 9692464540</p>
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2022 to June 2023. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

PERMANENTLY RECOGNIZED BY NCMET, NEW DELHI, GOVT OF INDIA AS CHRISTIAN MINORITY

APPROVED BY AICTE, PCI & NCTE & AFFILIATED TO JNTU, OU, NIGUH & MAKAUT

St Marys Group of Institutions Guntur, Guntur-Bapatla Highway, Patha Reddy Palem, Chebrolu, Andhra Pradesh, represented by its principal, Dr B Penchalaiah, hereinafter referred to as SMGG;

Both AMRN and SMGG are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, SMGG is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation:Asst.profin Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	SMGG: Name of the Coordinator: Mr D Satyanarayana Designation:Asst. Prof. Email id: satyanarayanadevireddy@stmarysgroup.com Whatsapp no:9866658619
---	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2019 to June 2020. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

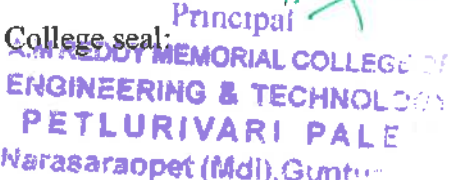

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

<p>For AMRN</p> <p>Principal signature and name:</p> <p>Dr. M. Ramakrishna </p> <p>College seal: </p>	<p>For SMGG</p> <p>Principal signature and name:</p> <p>Dr.B. Penchalaiah</p> <p>College seal: </p>

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with St Marys Group of Institutions Guntur- reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

MOU

This Memorandum of Understanding (MOU) is made on this 11th day of July, 2022 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr.Naga Venkata Ratna Kumar Kurapati, here in after referred to as AMRN;

And

**ST. MARY'S GROUP OF INSTITUTIONS
GUNTUR FOR WOMEN**
(Affiliated to JNTUK)

St Marys Group of Institutions Guntur For Women, Guntur-Bapatla Highway, Patha Reddy Palem, Chebrolu, Andhra Pradesh, represented by its principal, Dr B Penchalaiah, hereinafter referred to as SMGG;

Both AMRN and SMGG are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, SMGG is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation:Asst.profin Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	SMGG: Name of the Coordinator: Mr D Satyanarayana Designation:Asst. Prof. Email id: satyanarayanadevireddy@stmarysgroup.com Whatsapp no:9866658619
---	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July2022 to June 2023. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

MOU

This Memorandum of Understanding (MOU) is made on this 09th day of July, 2018 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. M. Ramakrishna, hereinafter referred to as AMRN;

And

Both AMRN and SMWEC are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, SMWEC is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>SMWEC: Name of the Coordinator: Mrs. H. Sandhya Designation: Asst. Prof. - Dept. of MBA Email id: sandhyahagalvadi@stmarysgroup.com Whatsapp no: 9618887080</p>
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2018 to June 2019. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

St. Mary's Women's Engineering College, Guntur-Ponnur Road, Budampadu Post, Guntur, A.P, India, represented by its principal, Dr. B V S T Sai, hereinafter referred to as SMWEC;

Both AMRN and SMWEC are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, SMWEC is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	SMWEC: Name of the Coordinator: Dr. T. Satyanarayana Designation: ssoc. Prof. - Dept. of MBA Email id: satyanarayanathota@stmarysgroup.com Whatsapp no: 9966115558
--	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2019 to June 2020. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

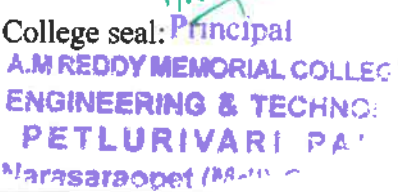

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with St. Mary's Women's Engineering College- reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

Principal,

Principal
A.M REDDY MEMORIAL COLLEGE OF
ENGINEERING & TECHNOLOGY

MOU

This Memorandum of Understanding (MOU) is made on this 13th day of October, 2020 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. CH. Mallikarjun, hereinafter referred to as AMRN;

And

St. Mary's Women's Engineering College, Guntur-Ponnur Road, Budampadu Post, Guntur, A.P, India, represented by its principal, Dr. B V S T Sai, hereinafter referred to as SMWEC;

Both AMRN and SMWEC are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, SMWEC is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	SMWEC: Name of the Coordinator: Dr. H. Sandhya Designation: Assoc. Prof.,Head - Dept. of MBA Email id: sandhyahagalvadi@stmarysgroup.com Whatsapp no: 9618887080
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from October 2020 to June 2021. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN; Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	SMWEC: Name of the Coordinator: Dr. H. Sandhya Designation: Assoc.Professor in MBA Email id: sandhyahagalvadi@stmarysgroup.com Whatsapp no: 9618887080
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2022 to June 2023. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with St. Mary's Women's Engineering College- reg.

Greetings from A. M. Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

St. Mary's Women's Engineering College, Guntur-Ponnur Road, Budampadu Post, Guntur, A.P, India, represented by its principal, Dr. K N V R Kumar, hereinafter referred to as SMWEC;

Both AMRN and SMWEC are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, SMWEC is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.

MOU

This Memorandum of Understanding (MOU) is made on this 23th day of July, 2019 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. M. Ramakrishna, hereinafter referred to as AMRN;

And

Eswar College of Engineering, Kesanupalli Village, Narasaraopet, Guntur Dist. A.P, India, represented by its principal, Dr. Gujjar Nagamalleswara Rao, hereinafter referred to as ESWR;

Both AMRN and ESWR are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, ESWR is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	ESWR: Name of the Coordinator: Dr.SK.Muzeer Shaik Designation: Assoc.Professor in MBA & TPO Email id: shaikmuzeer786@gmail.com Whatsapp no:9573247861
---	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2019 to June 2020. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Eswar College of Engineering- reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

MOU

This Memorandum of Understanding (MOU) is made on this 23rd day of October, 2020 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. CH. Mallikarjun, hereinafter referred to as AMRN;

And

Eswar College of Engineering, Kotappakonda Road, Andhra Pradesh, India, represented by its principal, Dr. Gujjar Nagamalleswara Rao, hereinafter referred to as ESWR;

Both AMRN and ESWR are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, ESWR is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and IncubationCell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	ESWR: Name of the Coordinator: Dr.SK.Muzeer Shaik Designation: Assoc.Professor in MBA& TPO Email id: shaikmuzeer786@gmail.com Whatsapp no: 9573247861
--	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from October2020 to June 2021. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.

MOU

This Memorandum of Understanding (MOU) is made on this 26th day of July, 2022 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. Naga Venkata Ratna Kumar Kurapati, hereinafter referred to as AMRN;

And

Eswar College of Engineering, Kesanupalli Village, Andhra Pradesh, India, represented by its principal, Dr.Gujjar Nagamalleswara Rao, hereinafter referred to as ESWR;

Both AMRN and ESWR are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, ESWR is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

--	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July2022 to June 2023. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

For AMRN Principal signature and name: Dr.Naga Venkata Ratna Kumar Surapati College seal: A.M REDDY MEMORIAL COLLEGE OF ENGINEERING & TECHNOLOGY PETLURIVARI PALEM Narasaraopet (Mdi), Guntur D. To,
The principal,
Eswar College of Engineering
Sponsored by Shaik Dada Saheb Charitable Trust, Narasaraopet.
Kesanupalli Village, Narasaraopet – 522 601,
Guntur Dist. A.P

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Eswar College of Engineering- reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

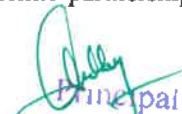

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

Principal
A.M REDDY MEMORIAL COLLEGE
ENGINEERING & TECHNOLOGY
PETLURIVARI PALEM
Narasaraopet (Mdl), Guntur

MOU

This Memorandum of Understanding (MOU) is made on this 30th day of July, 2023 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. J. Ganesh Prasad Reddy, hereinafter referred to as AMRN;

And

Eswar College of Engineering, Kesanupalli Village, Narasaraopet, Guntur Dist. A.P, India, represented by its principal, Dr. Gujjar Nagamalleswara Rao, hereinafter referred to as ESWR;

Both AMRN and ESWR are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, ESWR is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>ESWR: Name of the Coordinator: Dr. SK.Muzeer Shaik Designation: Assoc.Professor in MBA & TPO Email id: shaikmuzeer786@gmail.com Whatsapp no:9573247861</p>
--	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2023 to June 2024. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

For AMRN Principal signature and name:  Dr. J. Ganesh Prasad Reddy Principal College seal:  Narasaraopet (M.V.)	For ESWR Principal signature and name:  Dr. Gujjar Nagamalleswara Rao Principal College seal:  NARASARAOPET-522 601, Guntur (DL.)

Memorandum of Understanding (MoU)

between

Dr. Lankapalli Bullayya College of Engineering for Women

and

A.M. Reddy Memorial College of Engineering and Technology

This Memorandum of Understanding ("MoU") is entered on 09th July, 2018 between **Dr. Lankapalli Bullayya College of Engineering for Women** located at Resapuvanipalem, Visakhapatnam, Andhra Pradesh 530013 hereinafter referred to as "**DLBCEW**", and **A.M. Reddy Memorial College of Engineering and Technology**, located at Bapatla, Guntur district 522101, hereinafter referred to as "**AMRN**."

Scope & Objectives:

The purpose of this MoU is to formalize the cooperation between **DLBCEW** and **AMRN** for the following purposes:

1. To initiate exchange of knowledge between **DLBCEW** and **AMRN**.
2. To organize collaborative Seminar Programs to the staff & students of **DLBCEW** and **AMRN**.
3. To collaborate on incubation of ideas generated on both sides to be carried out at **DLBCEW** or at **AMRN** on mutual agreement.
4. Jointly identifying, planning, and executing research and development projects.
5. Any other relevant educational initiatives with mutual agreement.
6. Both colleges agree to facilitate and support students' internships.
7. Exchange of resources, faculty, and expertise for the betterment of both institutions.

Terms and Conditions:

1. Both colleges will define the specific terms and conditions for each type of collaboration (internships, workshops, projects) in separate agreements.
2. All activities shall be conducted in accordance with relevant laws and regulations.
3. Both colleges will maintain open and transparent communication throughout the collaboration.
4. All amendments to this Agreement must be in writing and executed by an authorized representative of each of the parties.

To,

The principal,
Nimra College of Engineering and Technology,
Jupudi,
Ibrahimpattanam,
Vijayawada,
Andhra Pradesh-521456.

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Nimra College of Engineering And Technology - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

**MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
A.M.REDDY MEMORIAL COLLEGE OF ENGINEERING AND
TECHNOLOGY (AMRN)
AND
NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGY (NCET)**

This MOU is entered into on the day of 13th, JUNE 2018 between A.M.Reddy Memorial College of Engineering And Technology Petlurivaripalem, Narasropet-522601, Andhra Pradesh, India Nimra College of Engineering and Technology, Nimra Nagar, Jupudi, Vijayawada, AP, India, 521456

1. Objectives:

- 1.1. To contribute further to the regional understanding between faculty and staff of AMRN and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between AMRN and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and

9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. AMRN and NCET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for **ONE (1) YEAR**. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MOU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. AMRN and NCET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for ONE (1) YEAR. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MOU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Andhra Pradesh-521456.

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Nimra College of Engineering And Technology- reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

**MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
A.M.REDDY MEMORIAL COLLEGE OF ENGINEERING AND
TECHNOLOGY (AMRN)
AND
NIMRA COLLEGE OF ENGINEERING AND TECHNOLOGY (NCET)**

This MOU is entered into on the day of 19th, October 2022 between A.M.Reddy Memorial College of Engineering And Technology Petturivaripalem, Narasarpet-522601, Andhra Pradesh, India and Nimra College of Engineering and Technology, Nimra Nagar, Jupudi, Vijayawada, AP, India, 521456

1. Objectives:

- 1.1. To contribute further to the regional understanding between faculty and staff of AMRN and NCET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between AMRN and NCET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and

9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. AMRN and NCET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for ONE (1) YEAR. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MOU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

This Memorandum of Understanding (MOU) is made on this 07th day of July, 2023 between:

A.M. Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. J. Ganesh Prasad Reddy, here in after referred to as AMRN;

And

**VASIREDDY VENKATADRI
INSTITUTE OF TECHNOLOGY**

Nambur (V), Pedakakani (M), Guntur – 522 508, Andhra Pradesh, India, represented by its principal, Dr. Y. Mallikarjuna Reddy, here in after referred to as VVIT;

Both AMRN and VVIT are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an affiliated institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, VVIT is an Autonomous institution offering various undergraduate and postgraduate programs in engineering disciplines with excellent state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

VVIT: Name of the Coordinator: Dr. K. Giri Babu Designation: Professor in ECE and Dean Academics Email id: kgiribabu@vvit.net Whatsapp no: 9885263148	AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Assoc. Prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854
--	---

4. Duration:

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of three years from **July 2023 to May 2026**. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination:

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

<p>For AMRN</p> <p>Principal name and signature: </p> <p>Dr. J. VASIREDDY VENKATADRI
INSTITUTE OF TECHNOLOGY

Nambur (V), Pedakakani (M), Guntur – 522 508, Andhra Pradesh, India, represented by its principal, Dr. Y. Mallikarjuna Reddy, here in after referred to as VVIT;

Both AMRN and VVIT are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an affiliated institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, VVIT is an Autonomous institution offering various undergraduate and postgraduate programs in engineering disciplines with excellent state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

VVIT:	AMRN:
Name of the Coordinator:	Name of the Coordinator:
Dr. K. Giri Babu	K. Sreekar Chand
Designation: Professor in ECE and Dean Academics	Designation: Assoc. Prof in Civil Engineering
Email id: kgiribabu@vvit.net	Email id: amrncivil@amreddyengineering.ac.in
Whatsapp no: 9885263148	Whatsapp no: 7013447854

4. Duration:

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of three years from **June 2020 to May 2023**. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination:

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

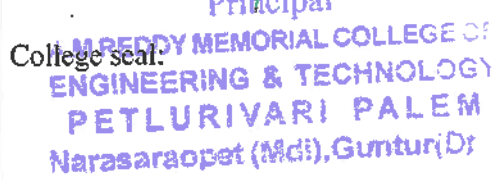

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

For AMRN Principal name and signature: Dr. M. Rama Krishna  Principal College seal: 	For VVIT Principal name and signature:  Dr. Y. Mallikarjuna Reddy Principal  Principal Vasireddy Venkatadri Institute of Technology Nambur (V), Pedakakani (M), Guntur Dt.-522 508.

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Vijaya Institute of Technology for Women - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

MEMORANDUM OF UNDERSTANDING

BETWEEN

**A.M.REDDY MEMORIAL COLLEGE OF ENGINEERING AND
TECHNOLOGY (AMRN)**
Petlurivaripalem, Narasaraopet -522601, Palnadu, Andhra Pradesh

AND

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)
Enikepadu, Vijayawada-521108, NTR District, Andhra Pradesh, India

**MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
A.M.REDDY MEMORIAL COLLEGE OF ENGINEERING AND
TECHNOLOGY (AMRN)
AND
VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)**

This MOU is entered into on the day of 17th, July 2023 between A.M.Reddy Memorial College Of Engineering And Technology Petlurivaripalem, Narasarpet-522601, Andhra Pradesh, India and Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh

1. Objectives:

- 1.1. To contribute further to the regional understanding between faculty and staff of AMRN and VITW for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.
- 1.2. To strengthen collaboration between AMRN and VITW through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.

8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. AMRN and VITW will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for ONE (1) YEAR. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MOU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Co-ordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Co-ordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

The principal,
Vijaya Institute of Technology for Women,
Enkiepadu,
Vijayawada,
Andhra Pradesh-521108.

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Vijaya Institute of Technology for Women - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

**MEMORANDUM OF UNDERSTANDING ON “ACADEMIC
COLLABORATION”
BETWEEN
A.M.REDDY MEMORIAL COLLEGE OF ENGINEERING AND
TECHNOLOGY (AMRN)
AND
VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN (VITW)**

This MOU is entered into on the day of 16th, October 2021 between A.M.Reddy Memorial College Of Engineering And Technology Petlurivaripalem, Narasarpet-522601, Andhra Pradesh, India and Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of AMRN and VITW for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between AMRN and VITW through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.

8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. AMRN and VITW will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for **ONE (1) YEAR**. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MOU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.

8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and

9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. AMRN and VITW will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MOU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MOU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for **ONE (1) YEAR**. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU. The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MOU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MOU will be made by mutual consent and any amendment or extension to the MOU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Co-ordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MOU, the same shall be resolved amicably by both the organizations. This MOU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Date: 13-07-2018

To,
The principal,
Narsaraopeta Institute of Technology,
Kotappakonda Road,
Narasaraopet,
Andhra Pradesh.

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Narsaraopeta Institute of Technology - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

MOU

This Memorandum of Understanding (MOU) is made on this 18th day of July, 2018 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. M. Ramakrishna, hereinafter referred to as AMRN;

And

Narasaraopeta Institute of Technology, Kotappakonda Road, Andhra Pradesh, India, represented by its principal, Dr.D.Venkata Rao, hereinafter referred to as NITN;

Both AMRN and NITN are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, NITN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation:Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>NITN: Name of the Coordinator: Dr R.Satheesh Kumar Designation:HOD &Professor in CSE Email id:satheesme@gmail.com Whatsapp no:9841339245</p>
---	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2018 to June 2019. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>NITN: Name of the Coordinator: Dr R.Sathees Kumar Designation: HOD &Professor in CSE Email id: satheesme@gmail.com Whatsapp no:9841339245</p>
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from October 2020 to June 2021. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

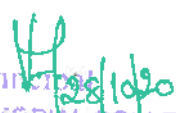

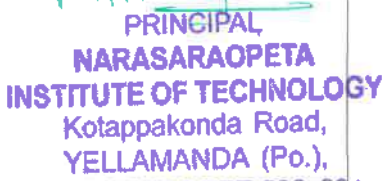

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

Andhra Pradesh.

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Narsaraopeta Institute of Technology - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

MOU

This Memorandum of Understanding (MOU) is made on this 13th day of September, 2021 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. CH. Mallikarjun, hereinafter referred to as AMRN;

And

Narasaraopeta Institute of Technology, Kotappakonda Road, Andhra Pradesh, India, represented by its principal, Dr.P.Hari Krishna Prasad , hereinafter referred to as NITN;

Both AMRN and NITN are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, NITN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>NITN: Name of the Coordinator: Dr R.Sathees Kumar Designation: HOD &Professor in CSE Email id: satheesme@gmail.com Whatsapp no:9841339245</p>
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from September 2021 to June 2022. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

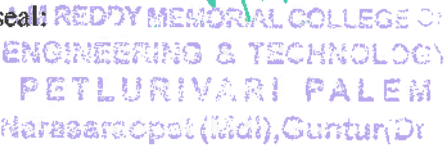

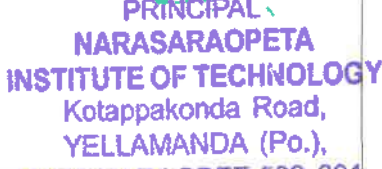

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

INSTITUTE OF TECHNOLOGY**

Narasaraopeta Institute of Technology, Kotappakonda Road, Andhra Pradesh, India, represented by its principal, Dr. P.Hari Krishna Prasad, hereinafter referred to as NITN;

Both AMRN and NITN are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, NITN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>	<p>NITN: Name of the Coordinator: Dr R.Sathees Kumar Designation: HOD &Professor in CSE Email id: satheesme@gmail.com Whatsapp no:9841339245</p>
--	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2023 to June 2024. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

VINUKONDA ROAD, PETLURIVARIPALEM(POST), NARASARAOPET, GUNTUR (DIST), ANDHRA PRADESH, PIN:522601, 08647-247190.

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. M. Ramakrishna, here in after referred to as AMRN;

Both AMRN and VGTN are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, VGTN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>VCTN: Name of the Coordinator: Dr. L.Mohan Krishna Designation: Assoc. Professor Email id: pharmacyvgt@gmail.com Whatsapp no: 79954 27798</p>	<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2018 to June 2019. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

<p>VCTN: Name of the Coordinator: Dr. L.Mohan Krishna Designation: Assoc. Professor Email id: pharmacyvgt@gmail.com Whatsapp no: 79954 27798</p>	<p>AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854</p>
--	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from Oct 2021 to June 2022. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

Nunna - 521 212, Vijayawada Rural, A.P. India.
Email: principal.9t@gmail.com

Vikas Group of Institutions, Nunna, Vijayawada, Andhra Pradesh, India, represented by its principal, Dr.B.Rama Mohana Rao, here in after referred to as VGTN;

And

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. Naga Venkata Ratna Kumar Kurapati, here in after referred to as AMRN;

Both AMRN and VGTN are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, VGTN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.

- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.

- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

VCTN: Name of the Coordinator: Dr. L.Mohan Krishna Designation: Assoc. Professor Email id: pharmacyvgt@gmail.com Whatsapp no: 79954 27798	AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854
--	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2022 to June 2023. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

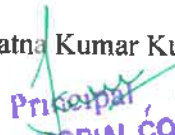

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Dhanekula Institute of Engineering and Technology - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

MOU

This Memorandum of Understanding (MOU) is made on this 22st day of July, 2023 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. J. Ganesh Prasad Reddy, hereinafter referred to as AMRN;

And

Dhanekula Institute of Engineering and Technology, Ganguru, Vijayawada, Andhra Pradesh, India, represented by its principal, Dr. Ravi Kadiyala, hereinafter referred to as DIET;

Both AMRN and DIET are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, DIET is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	DIET: Name of the Coordinator: Dr.K Srinivasa Rao Designation: Professor in ECE Email id: ksrinivas.ece@gmail.com Whatsapp no: 9494379031
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2023 to June 2024. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

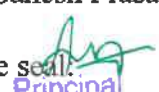

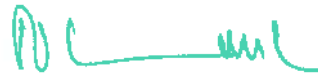

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

Dhanekula Institute of Engineering and Technology Ganguru, Vijayawada, Andhra Pradesh, India, represented by its principal, Dr. Ravi Kadiyala, hereinafter referred to as DIET;

Both AMRN and DIET are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, DIET is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	DIET: Name of the Coordinator: Dr.M .Vamshi Krishna Designation: Professor in ECE Email id: profvamshi@gmail.com Whatsapp no: 9703818580
---	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2022 to June 2023. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

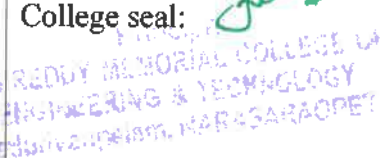

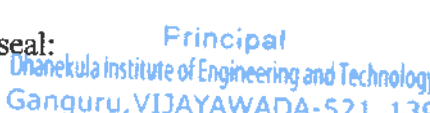

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

<p>For AMRN</p> <p>Principal signature and name:</p> <p>Dr. Naga Venkata Ratna Kumar Kurapati</p> <p>College seal: </p> <p></p>	<p>For DIET</p> <p>Principal signature and name:</p> <p>Dr. Ravi Kadiyala </p> <p>College seal: </p>

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Dhanekula Institute of Engineering and Technology - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

Principal,

MOU

This Memorandum of Understanding (MOU) is made on this 16th day of Oct, 2020 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. CH. Mallikarjun, hereinafter referred to as AMRN;

And

DhaneKula Institute of Engineering and Technology, Ganguru, Vijayawada, Andhra Pradesh, India, represented by its principal, Dr. Ravi Kadiyala, hereinafter referred to as DIET;

Both AMRN and DIET are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, DIET is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	DIET: Name of the Coordinator: Dr. A Kiran Kumar Designation: Professor in ME Email id: akirankumar78@gmail.com Whatsapp no: 9703818580
---	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from October 2020 to June 2021. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

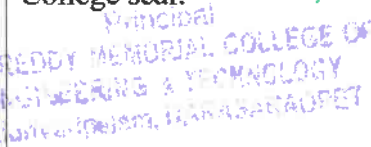

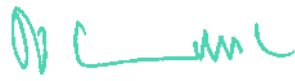

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

<p>For AMRN</p> <p>Principal signature and name:</p> <p>Dr. CH. Mallikarjun </p> <p>College seal:</p> <p></p>	<p>For DIET</p> <p>Principal signature and name:</p> <p>Dr. Ravi Kadiyala </p> <p>College seal:</p> <p></p>

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Dhanekula Institute of Engineering and Technology - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

Principal,

- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	DIET: Name of the Coordinator: Dr. A Kiran Kumar Designation: Professor in ME Email id: akirankumar78@gmail.com Whatsapp no: 9703818580
---	---

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2019 to June 2020. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

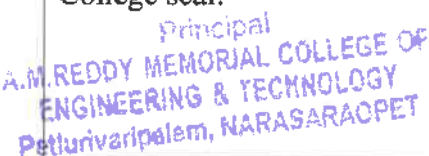

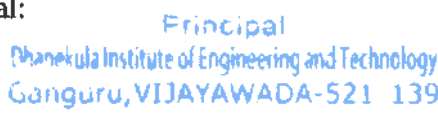

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:

To,

The principal,
Dhanekula Institute of Engineering and Technology,
Ganguru,
Vijayawada,
Andhra Pradesh-521139.

Respected Sir/Madam,

Subject: AM Reddy Memorial College of Engineering and Technology requesting an MOU with Dhanekula Institute of Engineering and Technology - reg.

Greetings from A.M.Reddy Memorial College of Engineering & Technology!

We are pleased to inform you that our college is one of the leading institutions in the field of engineering education and research in Andhra Pradesh. We have been offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities. We have also been conducting various faculty development programs (FDPs), workshops, seminars, both National and International Conferences on emerging topics and technologies for the benefit of faculty members and students.

We are keen to collaborate with your esteemed institution for mutual benefit and exchange of knowledge and expertise. We propose to enter into a Memorandum of Understanding (MOU) with your college for the following objectives:

- To conduct joint FDPs, workshops and seminars, both National and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

We request you to kindly consider our proposal and send us your consent for signing the MOU at the earliest. We have enclosed a draft MOU for your reference. Please feel free to suggest any modifications or additions as per your requirements.

We look forward to hearing from you soon and establishing a long-term academic partnership with your college.

Thanking you,

Yours sincerely,

Enclosure: Draft MOU

Principal,

Principal
A.M. REDDY MEMORIAL COLLEGE OF
ENGINEERING & TECHNOLOGY
PETLURIVARIPALEM, NARASARAOPET

MOU

This Memorandum of Understanding (MOU) is made on this 16th day of July, 2018 between:

A.M.Reddy Memorial College of Engineering and Technology, Narasaraopet, Andhra Pradesh, India, represented by its Principal, Dr. M. Ramakrishna, hereinafter referred to as AMRN;

And

Dhanekula Institute of Engineering and Technology Ganguru, Vijayawada, Andhra Pradesh, India, represented by its principal, Dr. Ravi Kadiyala, hereinafter referred to as DIET;

Both AMRN and DIET are collectively referred to as the Parties and individually as a Party.

WHEREAS, AMRN is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, DIET is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.

- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party

involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.
- Preparing and submitting periodic reports on the progress and outcomes of the activities under this MOU.

The names and contact details of the coordinators are as follows:

AMRN: Name of the Coordinator: K. Sreekar Chand Designation: Asst.prof in Civil Engineering Email id: amrncivil@amreddyengineering.ac.in Whatsapp no: 7013447854	DIET: Name of the Coordinator: Dr. A Kiran Kumar Designation: Professor in ME Email id: akirankumar78@gmail.com Whatsapp no: 9703818580
--	--

4. Duration

This MOU will come into effect from the date of signing by both the parties and will remain valid for a period of one year from July 2018 to June 2019. The parties may extend or renew this MOU by mutual consent in writing before the expiry of this MOU.

5. Termination

Either party may terminate this MOU by giving an advance written notice of three months to the other party. The termination of this MOU will not affect the ongoing activities under this MOU, unless otherwise agreed by both the parties.

6. Amendment

This MOU may be amended by mutual consent of both the parties in writing. Any amendment to this MOU will be signed by both the parties and will form part of this MOU.

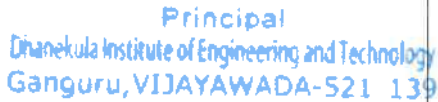

7. Arbitration

In case of any dispute or difference arising out of or in connection with this MOU, the parties will try to resolve it amicably through consultation and negotiation. If the dispute or difference remains unresolved after 30 days of consultation and negotiation, then it will be referred to arbitration by a sole arbitrator appointed by mutual consent of both the parties. The arbitration will be conducted in accordance with the Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof. The venue of arbitration will be Narasaraopet, Andhra Pradesh. The language of arbitration will be English. The award of the arbitrator will be final and binding on both the parties.

8. Miscellaneous

- This MOU is not intended to create any legal or contractual obligations or liabilities on either party.
- This MOU is not intended to confer any rights or benefits on any third party.
- This MOU is subject to the laws of India and the jurisdiction of the courts at Narasaraopet, Andhra Pradesh.
- This MOU is executed in two originals, one for each party.

IN WITNESS WHEREOF, both the Parties have signed this MOU on the date and place mentioned below:
