ACTION TAKEN REPORT

Name of the Stakeholder: Student

Academic Year: 2021-2022

The feedback is collected and analyzed at college academic meetings in the institution. Student feedback above 85% is considered as positive feedback and below that as average feedback and we are working for the improvement.

S. No	QUESTIONS	Feedback /Concern	% Consensus	Action to be taken
1	Rate the relevance of curriculum syllabus to course	Excellent	96	To sustain the same production, we will continue to be rigorous.
2	Rate the extent of syllabus covered in the class	V. Good	93	To make sure the syllabus is well covered in advance and to leave ample time for revision and the identification of weak students.
3	Rate the usage of teaching aids in the class by faculty to facilitate teaching.	Excellent	95	We will keep up with the pace of the most advanced tools and will use them in the dynamic environment of AMR.
4	Rate the offering of the elective in terms of relevancy to the curriculum.	V. Good	96	Commit to providing a greater variety of elective courses..
5	Rate the size of the syllabus in terms of the load of the student.	Good	95	We don't have much power over the curriculum. However, we will advise the university in light of the comments.
6	Rate the out of the class room learning (Guest lectures, seminars, workshops, value added programs, conferences	V. Good	92	We are coordinating with visiting professors to give guest lectures at our institution
7	Rate the Transparency in the assessment processes	V. Good	95	Welcome suggestions, considering academic complaints submitted in the suggestion box by students.
8	Rate the promptness in evaluating the answer scripts	V. Good	90	We'll keep being cautious and make sure the answer sheets are quickly examined.
9	Rate the opportunity for students to participate in internship, student exchange and field visit	Excellent	92	To facilitate field trips for our students, we are collaborating with various companies.
10	Rate the opportunities in the college for research activities.	Good	95	We think that the first stage towards innovation is research. We'll keep giving people more chances to conduct research.

ACTION TAKEN REPORT

Name of the Stakeholder: Faculty

Academic Year: 2021-2022

Feedback is gathered and analyzed during college academic meetings at the institution. Employer feedback exceeding 85% is deemed positive, while feedback below that threshold is considered average. We are actively working on improvement.

S. No	QUESTIONS	Feedback /Concern	% Consensus	Action to be taken
1	Rate the course content present in syllabus	Excellent	94	Our curriculum aligns with the latest engineering advancements to equip students with in-demand skills for employment
2	Rate the Relevance of text book and reference book	Good	90	Textbooks are essential for students to review and reinforce lessons taught, aiding in retaining course material.
3	Rate the updated concepts in the curriculum	Excellent	98	We encourage and give a free hand to teachers to come up with updated concepts.
4	Rate the relevance of practical content to theory	Good	92	We will continue the same rigor in arranging field trips to maintain balance between theory and practical application
5	The course outcome is well defined and clear	Excellent	94	We can give collective suggestions only on curriculum design to achieve clear and well-defined outcomes but, we cannot do individually
6	Rate the effectiveness of curriculum to face competitive exams	V. Good	91	To maintain placement classes regularly to face competitive exams.
7	Rate the relevance of the industry needs	V. Good	93	We can interact industries regularly for getting internships from the advanced technology contents.
8	Rate the freedom to propose, modify, suggest and incorporate new topics in the syllabus through proper forum	V. Good	87	We cannot modify the syllabus as we are affiliated to JNTUK, we follow the curriculum designed by the university
9	Rate the relevance of the curriculum to the society needs	Good	91	We give collective suggestions on curriculum design to achieve clear and well-defined outcomes
10	Rate the opportunities for employment and entrepreneurship	V. Good	97	We encourage students to learn innovative technologies, products, and services
