National Service Scheme (NSS) Activity Report on “Child Marriage Prevention Awareness Program”

Event: Child Marriage Prevention Awareness Program

Date: 8/2/2020

Venue: Allurivaripalem Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Allurivaripalem Village.

The Child Marriage Prevention Awareness NSS Program, conducted with the active participation of 30 NSS students, aimed to raise awareness about the detrimental effects of child marriage and promote its prevention. The primary objective was to empower communities to understand and combat this social issue.

Activities:

- 1. Educational Workshops:** A series of workshops with 30 volunteers and 18 local villagers were organized to educate community members about the legal and social consequences of child marriage, emphasizing the importance of education and individual rights.
- 2. Awareness Campaigns:** Volunteers conducted awareness campaigns, distributing informative pamphlets and engaging in discussions to dispel myths and misconceptions surrounding child marriage.
- 3. Interactive Sessions:** Open discussions and interactive sessions allowed participants to share their experiences and concerns related to child marriage, fostering a sense of community support.
- 4. Role-Plays and Skits:** Volunteers performed role-plays and skits to illustrate the impact of child marriage on young lives and communities, conveying powerful messages.

5. Community Pledges: A significant part of the program involved community members taking a pledge to prevent child marriages, committing to support the education and aspirations of children.

Outcomes:

- Increased awareness within the community about the adverse effects of child marriage.
- Empowerment of community members, especially parents and youth, to actively prevent child marriages.
- Enhanced support and protection for vulnerable children through community pledges.

Conclusion: The Child Marriage Prevention Awareness NSS Program, led by 30 committed NSS students, successfully fulfilled its objectives by raising awareness about the harmful consequences of child marriage and empowering communities to prevent such practices. The program plays a critical role in protecting the rights and future of young individuals. We express our appreciation to all volunteers and community members for their active participation and dedication to this crucial cause.

National Service Scheme (NSS) Activity Report on “Plastic Free Awareness Campaign”

Event: “Plastic Free Awareness Campaign”

Date: 29/01/2020

Venue: Rajupalem Village.

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Rajupalem Village.

The NSS unit has successfully organized a Plastic-Free Awareness Campaign at Rajupalem village on 29/01/2020 with 32 active volunteers and 20 local villagers. The campaign aimed to raise awareness about the adverse effects of plastic on the environment and promote sustainable living practices within the community.

The event commenced with an informative session highlighting the environmental impact of plastic pollution. Students engaged with the villagers through interactive workshops, educating them on simple yet effective ways to reduce plastic usage in their daily lives. The community actively participated in discussions, sharing valuable insights and pledging to adopt eco-friendly alternatives.

A highlight of the campaign was the hands-on clean-up drive, where NSS volunteers and villagers collaborated to collect and responsibly dispose of plastic waste in the vicinity. The enthusiasm and cooperation demonstrated by the participants reflected a collective commitment to fostering a plastic-free environment.

National Service Scheme (NSS) Activity Report on "Government Schemes Awareness Program"

Event: Government Schemes Awareness Program

Date: 17/12/2019

Venue: Achammapalem Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Achammapalem Village

The Government Schemes Awareness Campaign aimed to educate and inform farmers about the various agricultural schemes, subsidies, and incentives offered by the government. The primary objective was to empower farmers with knowledge to help them access these resources for improved agricultural practices and financial stability.

Activities:

1. Information Sessions: 36 Volunteers explained the details of government schemes and subsidies available to farmers. This included information on crop insurance, financial assistance, and technology support.

2. Distribution of Information Booklets: Volunteers distributed informational booklets and pamphlets containing concise details about government schemes, eligibility criteria, and application procedures.

3. One-on-One Consultations: Farmers had the opportunity to engage in one-on-one consultations with volunteers, allowing them to ask questions and clarify doubts about specific schemes relevant to their needs.

Outcomes:

- Increased awareness among farmers about government schemes and incentives, leading to a greater number of applications for relevant programs.
- Improved access to financial and technical support, ultimately enhancing the overall productivity and financial stability of the farming community.

Conclusion:

The Government Schemes Awareness Campaign for Farmers, led by 36 dedicated NSS volunteers, successfully achieved its objective of empowering farmers with information about government agricultural schemes, subsidies, and incentives. This campaign not only increased awareness but also facilitated practical access to resources that are crucial for the advancement of agricultural practices and financial well-being. We express our gratitude to all volunteers and the farming community for their active participation and enthusiasm in making this initiative a success.

National Service Scheme (NSS) Activity Report on “Road Safety Awareness Program”

Event: Road Safety Awareness Program

Date: 30/11/2019

Venue: Yallamanda Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in Collaboration with RTO, Narasaraopet.

The Road Safety Awareness Program in Yallamanda was organized with 31 volunteers, with the primary objective of disseminating crucial road safety knowledge and fostering responsible behavior within the community. Various aspects of traffic rules, responsible driving habits, and the correct usage of safety gear, including helmets and seat belts, were discussed with local people.

Interactive sessions encouraged active participation from attendees, allowing them to share insights and express concerns related to road safety. Practical demonstrations were a key feature, illustrating the proper use of safety gear and highlighting emergency response procedures.

The program received a positive response from participants, indicating an increased awareness and commitment to implementing safer road practices. The NSS Unit extends its gratitude to all students for their active involvement, contributing to the success of this initiative and fostering a culture of responsibility and safety on our roads.

National Service Scheme (NSS) Activity Report on "Awareness Campaign on Pollution Control"

Event: Awareness Campaign on Pollution Control

Date: 05/09/2019

Venue: Ikkurru Village.

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in Collaboration with local villagers along with Sarpanch, Ikkurru Village

The "Awareness Campaign on Pollution Control" organized by the NSS unit, unfolded as a pivotal initiative on 05/09/2019 at Ikkurru village with 35 active NSS volunteers and 16 local villagers. With an ever-growing concern for the environment, the campaign sought to enlighten participants about the far-reaching consequences of pollution and instill a sense of responsibility towards sustainable practices. The event commenced with an informative session, wherein volunteers elucidated the various forms of pollution, their impacts on ecosystems, and the imminent need for collective action. Engaging discussions ensued, allowing participants to delve deeper into the complexities of environmental degradation.

The campaign seamlessly blended theoretical knowledge with hands-on experiences. Interactive activities, such as waste segregation demonstrations provided a practical dimension to the theoretical concepts discussed. The participants actively embraced their roles as environmental stewards, displaying enthusiasm and commitment throughout the event. Practical tips on pollution control, ranging from reducing single-use plastic to conserving energy, were shared to empower participants with actionable insights. Moreover, volunteers distributed informative pamphlets to extend the campaign's reach beyond the immediate participants. The collective efforts of the NSS unit and the enthusiastic engagement of the participants rendered the campaign not only educative but also transformative, as it sowed the seeds for a community committed to adopting eco-friendly practices.
