National Service Scheme (NSS) Activity Report on Awareness Campaign on Sanitation

Event: "Awareness Campaign on Sanitation"

Date: 14-06-2019.

Venue: Kakani Village.

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Kakani Village

The primary objective of our NSS event was to raise awareness and promote positive behavioral change in the community concerning sanitation. This campaign aimed to encourage improved sanitation practices, prevent waterborne diseases, and promote sustainable hygiene and cleanliness.

Event Highlights

The NSS team, consisting of 37 volunteers and 18 local villagers, began preparations well in advance. We conducted meetings to discuss the schedule, responsibilities, and logistics.

- Educational Workshops:** We conducted interactive workshops on proper sanitation and hygiene practices, emphasizing clean water sources, safe food handling, and waste management.
- Community Involvement:** Engaging with the local community was a core focus. We encouraged active participation and discussion to address specific sanitation challenges within the community.
- Distribution of Informational Material:** Informational pamphlets and posters were distributed to reinforce key messages on sanitation and hygiene.
- Hygiene Demonstrations:** Practical demonstrations on handwashing and waste management were provided, showcasing the simplicity and effectiveness of these practices.
- Interactive Sessions:** We facilitated discussions and encouraged participants to share their experiences and challenges, promoting a collective understanding of the importance of sanitation.

Outcome:

- Increased awareness and understanding of sanitation and hygiene practices within the community.
- Positive behavioral changes observed as participants actively embraced improved sanitation practices.
- Enhanced community engagement in addressing local sanitation issues.
- A sense of ownership and responsibility among community members towards maintaining cleanliness and preventing waterborne diseases.

Conclusion:The "Awareness Campaign on Sanitation" was a successful endeavor, as it contributed to improving the overall sanitation and hygiene conditions in the community. The active participation and willingness of the community members of Kakani village to embrace positive changes were particularly commendable.

We express our gratitude to all participants, volunteers, and the local community for their involvement in this impactful initiative.

**National Service Scheme (NSS) Activity Report on Tree Plantation at
Kotappakonda**

Event: "Tree Plantation"

Date: 18/07/2019

Venue: Kotappakonda Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in Collaboration with Local Villagers along with Sarpanch, Kotappakonda Village.

The tree plantation initiative at Kotappakonda Village was organized with the primary objective of increasing green cover, promoting biodiversity, and enhancing the environmental quality of the village with dedicated 32 volunteers. The initiative aimed to create a healthier and more sustainable environment for the community.

Activities:

- 1. Tree Selection:** A variety of native tree species were selected for planting, considering their suitability to the local climate and ecosystem.
- 2. Plantation Drive:** Participants, including community members and volunteers, actively engaged in the tree plantation process, following proper planting techniques to ensure tree survival.
- 3. Educational Sessions:** Brief educational sessions were conducted to inform participants about the importance of trees in purifying the air, conserving soil, and enhancing the overall well-being of the environment.

Outcomes: - Increased green cover in Kotappakonda Village, contributing to improved air quality and aesthetic value.

National Service Scheme (NSS) Activity Report on Old Age Home Visits

Event: Old Age Home Visits

Date: 21/08/2019

Venue: Narasaraopet Town

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in Collaboration with Peddapalli Ratna Kumari Trust at Narasaraopet Town

The objective of our Old Age Home Visits was to provide emotional support, enhance the quality of life for elderly residents, and promote intergenerational bonding between our volunteers and the seniors residing in the facility.

Activities

- 1. Companionship:** During our visit, 34 volunteers spent quality time with the elderly residents, engaging in conversations, listening to their stories, and offering companionship to combat the emotional challenges of loneliness and isolation.
- 2. Entertainment:** We organized various forms of entertainment, such as music, games, or storytelling, to bring joy and laughter to the seniors, creating a more vibrant and engaging atmosphere.
- 3. Basic Needs:** In addition to emotional support, we provided assistance with basic needs, such as distributing care packages, personal hygiene items, and ensuring their living conditions were comfortable.

- Improved emotional well-being of the elderly residents through regular interaction and companionship.
- Enhanced the overall quality of life within the old age home by introducing entertainment and activities.
- Fostering a sense of connection and understanding between our volunteers and the seniors, promoting empathy and mutual respect.

Conclusion:

The Old Age Home Visits initiative, carried out with the dedication of 34 student volunteers, achieved its objectives by offering emotional support, improving the residents' quality of life, and promoting valuable interactions between generations. These visits hold great significance in enhancing the well-being of our senior citizens and bridging generational gaps. We extend our gratitude to all volunteers and the elderly residents for their participation and cooperation.

National Service Scheme (NSS) Activity Report on "Awareness Campaign on Pollution Control"

Event: Awareness Campaign on Pollution Control

Date: 05/09/2019

Venue: Ikkurru Village.

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in Collaboration with local villagers along with Sarpanch, Ikkurru Village

The "Awareness Campaign on Pollution Control" organized by the NSS unit, unfolded as a pivotal initiative on 05/09/2019 at Ikkurru village with 35 active NSS volunteers and 16 local villagers. With an ever-growing concern for the environment, the campaign sought to enlighten participants about the far-reaching consequences of pollution and instill a sense of responsibility towards sustainable practices. The event commenced with an informative session, wherein volunteers elucidated the various forms of pollution, their impacts on ecosystems, and the imminent need for collective action. Engaging discussions ensued, allowing participants to delve deeper into the complexities of environmental degradation.

The campaign seamlessly blended theoretical knowledge with hands-on experiences. Interactive activities, such as waste segregation demonstrations provided a practical dimension to the theoretical concepts discussed. The participants actively embraced their roles as environmental stewards, displaying enthusiasm and commitment throughout the event. Practical tips on pollution control, ranging from reducing single-use plastic to conserving energy, were shared to empower participants with actionable insights. Moreover, volunteers distributed informative pamphlets to extend the campaign's reach beyond the immediate participants. The collective efforts of the NSS unit and the enthusiastic engagement of the participants rendered the campaign not only educational but also transformative, as it sowed the seeds for a community committed to adopting eco-friendly practices.

National Service Scheme (NSS) Activity Report on Swachh Bharath at Allurivaripalem Village

Event: Swachh Bharath

Date: 15-10-2019

Venue: Allurivaripalem Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in Collaboration with local villagers along with Sarpanch, Allurivaripalem.

The Swachh Bharat Abhiyan event at Allurivaripalem Village was organized with the primary objective of promoting cleanliness, hygiene, and community participation. The goal was to create a cleaner and healthier environment and to instill a sense of responsibility for the village's upkeep.

Activities:

- 1. Cleanliness Drive:** The 34 student volunteers and 20 local villagers engaged in a thorough cleanliness drive throughout the village, focusing on public areas, streets, and community spaces.
- 2. Waste Management:** Emphasis was placed on waste management and proper disposal practices. Volunteers distributed bins and educated villagers about waste segregation.
- 3. Public Awareness:** Informational sessions and awareness campaigns were conducted, highlighting the importance of sanitation, hygiene, and their impact on community health.
- 4. Community Involvement:** The active involvement of the villagers was encouraged, and they participated enthusiastically in the cleanup efforts.

National Service Scheme (NSS) Activity Report on "Road Safety Awareness Program"

Event: Road Safety Awareness Program

Date: 30/11/2019

Venue: Yallamanda Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in Collaboration with RTO, Narasaraopet.

The Road Safety Awareness Program in Yallamanda was organized with 31 volunteers, with the primary objective of disseminating crucial road safety knowledge and fostering responsible behavior within the community. Various aspects of traffic rules, responsible driving habits, and the correct usage of safety gear, including helmets and seat belts, were discussed with local people.

Interactive sessions encouraged active participation from attendees, allowing them to share insights and express concerns related to road safety. Practical demonstrations were a key feature, illustrating the proper use of safety gear and highlighting emergency response procedures.

The program received a positive response from participants, indicating an increased awareness and commitment to implementing safer road practices. The NSS Unit extends its gratitude to all students for their active involvement, contributing to the success of this initiative and fostering a culture of responsibility and safety on our roads.

National Service Scheme (NSS) Activity Report on "Government Schemes Awareness Program"

Event: Government Schemes Awareness Program

Date: 17/12/2019

Venue: Achammapalem Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Achammapalem Village

The Government Schemes Awareness Campaign aimed to educate and inform farmers about the various agricultural schemes, subsidies, and incentives offered by the government. The primary objective was to empower farmers with knowledge to help them access these resources for improved agricultural practices and financial stability.

Activities:

- 1. Information Sessions:** 36 Volunteers explained the details of government schemes and subsidies available to farmers. This included information on crop insurance, financial assistance, and technology support.
- 2. Distribution of Information Booklets:** Volunteers distributed informational booklets and pamphlets containing concise details about government schemes, eligibility criteria, and application procedures.
- 3. One-on-One Consultations:** Farmers had the opportunity to engage in one-on-one consultations with volunteers, allowing them to ask questions and clarify doubts about specific schemes relevant to their needs.

Outcomes:

- Increased awareness among farmers about government schemes and incentives, leading to a greater number of applications for relevant programs.
- Improved access to financial and technical support, ultimately enhancing the overall productivity and financial stability of the farming community.

Conclusion:

The Government Schemes Awareness Campaign for Farmers, led by 36 dedicated NSS volunteers, successfully achieved its objective of empowering farmers with information about government agricultural schemes, subsidies, and incentives. This campaign not only increased awareness but also facilitated practical access to resources that are crucial for the advancement of agricultural practices and financial well-being. We express our gratitude to all volunteers and the farming community for their active participation and enthusiasm in making this initiative a success.

National Service Scheme (NSS) Activity Report on “Plastic Free Awareness Campaign”

Event: Plastic Free Awareness Campaign

Date: 09/01/2020

Venue: Guravayapalem Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Guravayapalem Village.

The Plastic Free Awareness Campaign, organized by 35 dedicated NSS students and 21 local villagers, was conducted with the primary objective of raising awareness about the harmful effects of plastic pollution and promoting responsible plastic use. The rally aimed to encourage the community to reduce plastic waste and adopt eco-friendly alternatives.

Activities:

- 1. Rally March:** The event commenced with a spirited rally march through the community, led by the 35 NSS student volunteers. Banners and placards bearing anti-plastic messages were displayed prominently.
- 2. Awareness Speeches:** Along the rally route, short speeches were delivered, highlighting the environmental consequences of plastic pollution and the need for sustainable practices.
- 3. Street Cleanup:** Following the rally, volunteers actively engaged in a street cleanup, collecting plastic waste and encouraging the community to join the effort.

4. Plastic Collection Drive: A collection drive for recyclable plastics was initiated, with volunteers explaining the importance of proper plastic disposal.

Outcomes:

- Increased awareness among community members about the adverse effects of plastic pollution.
- Active community participation in the rally and street cleanup, resulting in a cleaner environment.
- Promotion of eco-friendly practices through the distribution of reusable bags and proper plastic waste disposal.

Conclusion: The Plastic Free Awareness Campaign, led by 35 enthusiastic NSS students, successfully achieved its objectives by raising awareness about plastic pollution, engaging the community in a cleanup drive, and promoting the use of eco-friendly alternatives. The rally played a pivotal role in encouraging responsible plastic use and fostering a more environmentally conscious community.

We extend our appreciation to all volunteers and the community for their active participation and commitment to this vital cause.

National Service Scheme (NSS) Activity Report on “Plastic Free Awareness Campaign”

Event: “Plastic Free Awareness Campaign”

Date: 29/01/2020

Venue: Rajupalem Village.

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Rajupalem Village.

The NSS unit has successfully organized a Plastic-Free Awareness Campaign at Rajupalem village on 29/01/2020 with 32 active volunteers and 20 local villagers. The campaign aimed to raise awareness about the adverse effects of plastic on the environment and promote sustainable living practices within the community.

The event commenced with an informative session highlighting the environmental impact of plastic pollution. Students engaged with the villagers through interactive workshops, educating them on simple yet effective ways to reduce plastic usage in their daily lives. The community actively participated in discussions, sharing valuable insights and pledging to adopt eco-friendly alternatives.

A highlight of the campaign was the hands-on clean-up drive, where NSS volunteers and villagers collaborated to collect and responsibly dispose of plastic waste in the vicinity. The enthusiasm and cooperation demonstrated by the participants reflected a collective commitment to fostering a plastic-free environment.

National Service Scheme (NSS) Activity Report on “Child Marriage Prevention Awareness Program”

Event: Child Marriage Prevention Awareness Program

Date: 8/2/2020

Venue: Allurivaripalem Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Allurivaripalem Village.

The Child Marriage Prevention Awareness NSS Program, conducted with the active participation of 30 NSS students, aimed to raise awareness about the detrimental effects of child marriage and promote its prevention. The primary objective was to empower communities to understand and combat this social issue.

Activities:

- 1. Educational Workshops:** A series of workshops with 30 volunteers and 18 local villagers were organized to educate community members about the legal and social consequences of child marriage, emphasizing the importance of education and individual rights.
- 2. Awareness Campaigns:** Volunteers conducted awareness campaigns, distributing informative pamphlets and engaging in discussions to dispel myths and misconceptions surrounding child marriage.
- 3. Interactive Sessions:** Open discussions and interactive sessions allowed participants to share their experiences and concerns related to child marriage, fostering a sense of community support.
- 4. Role-Plays and Skits:** Volunteers performed role-plays and skits to illustrate the impact of child marriage on young lives and communities, conveying powerful messages.

5. Community Pledges: A significant part of the program involved community members taking a pledge to prevent child marriages, committing to support the education and aspirations of children.

Outcomes:

- Increased awareness within the community about the adverse effects of child marriage.
- Empowerment of community members, especially parents and youth, to actively prevent child marriages.
- Enhanced support and protection for vulnerable children through community pledges.

Conclusion: The Child Marriage Prevention Awareness NSS Program, led by 30 committed NSS students, successfully fulfilled its objectives by raising awareness about the harmful consequences of child marriage and empowering communities to prevent such practices. The program plays a critical role in protecting the rights and future of young individuals. We express our appreciation to all volunteers and community members for their active participation and dedication to this crucial cause.

National Service Scheme (NSS) Activity Report on “Environmental Conservation”

Event: Environmental Conservation

Date: 13/3/2020

Venue: Lakshmipuram Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Lakshmipuram Village.

The Environmental Conservation event in Lakshmipuram Village, conducted with 38 enthusiastic NSS students and 15 local villagers, aimed to create awareness, engage in practical conservation efforts, and promote sustainable environmental practices within the community. The primary objective was to enhance the overall environmental quality and consciousness in the village.

Activities:

- 1. Clean Village Campaign:** Volunteers conducted a thorough cleanup campaign, removing litter and waste from public spaces, streets, and the village surroundings.
- 2. Environmental Workshops:** Educational workshops were organized to inform villagers about environmental issues such as water conservation, waste management, and the importance of a clean and green environment.
- 3. Recycling Initiatives:** Initiatives were launched to encourage recycling and proper waste disposal, emphasizing the benefits of reducing waste and reusing materials.

4. **Eco-Friendly Practices Demonstrations:** Participants demonstrated eco-friendly practices, showcasing alternatives to single-use plastics, such as reusable bags and bottles.

Outcomes:

- Increased green cover in the village due to tree plantation efforts.
- Cleaner surroundings and improved hygiene following the successful clean village campaign.
- Enhanced awareness and understanding of environmental issues among the villagers.
- Adoption of eco-friendly practices and recycling initiatives within the community.

Conclusion: The Environmental Conservation event in Lakshmipuram Village, led by 38 dedicated NSS students, effectively fulfilled its objectives by raising awareness, engaging in practical conservation efforts, and promoting responsible environmental practices. The initiative contributed to a cleaner, greener, and more environmentally conscious village, underlining the significance of community-driven environmental conservation.

We express our gratitude to all participants, volunteers, and the villagers of Lakshmipuram for their active participation and commitment to the cause of environmental conservation.
