MEMORANDUM OF UNDERSTANDING (MOU) BETWEEN

AM Reddy Memorial College of Engineering and Technology

AND

Protective Technologies Private Limited

This Agreement made and entered into on 21st June, 2021 between AM Reddy Memorial College of Engineering and Technology (here in after called as AMRMCET) and PROTECTIVE TECHNOLOGIES PRIVATE LIMITED under the group of Microlink Information Technologies (here in after called as Microlink) situated at Corporate Office: 29-3-452, 3/10 BRODIEPET, GUNTUR, Guntur, Andhra Pradesh, PIN: 522002. This MOU shall be valid for 3 year from the date and each party shall be at full liberty to terminate the collaboration with a notice period of 3 months.

OBJECTIVES OF THE MOU:

The objective of this Memorandum of Understanding is:

- A. To promote interaction between AMRMCET and Microlink in mutually beneficial areas.
- B. To provide a formal basis for initiating interaction between AMRMCET and Microlink.

PROPOSED MODES OF COLLABORATION:

AMRMCET and propose to collaborate through

1. Exchanging of expertise by means of Guest Lectures, Technical Seminars, Workshops and other events (during regular working days) for the benefit of the faculty and students.
2. Allowing faculty & Staff for industrial training.
3. Conducting Faculty Development Programmes
4. Permitting Practical training to students.

Note: All the above modes will be decided upon mutual consent based on Schedules and Manpower requirement of Company.

Date of the Agreement: 21-06-2021

AGREED:

For **AM REDDY MEMORIAL COLLEGE OF ENGINEERING AND TECHNOLOGY**

For **Microlink Information Technologies**

MEMORANDUM OF UNDERSTANDING

Between

SURYA TEJA CONSTRUCTIONS

Opp.Grand Navayuga, Vinukonda Road, Narasaropeta-522601, Guntur (Dt), A.P. This memorandum of understanding is entered into on this 24th June 2018 between, A.M.ReddyMemorial College of Engineering and Technology situated at Vinukonda road, Petlurivaripalem (V), Narasaraopet – 522 601, Guntur (Dt), A.P (hereinafter called “AMRN”) SURYA TEJA CONSTRUCTIONS (hereinafter called “STC”) with its headquarters in Lunceford.

AND

AMRN

A.M.Reddy Memorial College of Engineering and Technology Vinukonda road, Petlurivaripalem (V),Narasaraopet – 522 601, Guntur (Dt)

1. PREAMBLE

SURYA TEJA CONSTRUCTIONS a Construction implementation, business consulting and product Development Company, having its registered office Opp.Grand Navayuga, Vinukonda Road, Narasaropeta-522601 Andhra Pradesh. Offers constructions to enterprises across the globe. SURYA TEJA CONSTRUCTIONS is specialized in Apartments constructions and individual villas, and development. Surya teja constructions enables enterprises reduce complexity and achieve business agility. Driven by passion for customer satisfaction, SURYA TEJA CONSTRUCTIONS believe in efficiently delivering promised business outcome to customers. Surya teja constructions profile can be found at <http://Suryatejaconstructions.com>.

A M Reddy Memorial College of Engineering and Technology was established by Sri. Atluri Srinivasa Reddy, Founder Chairman and Smt. Atluri Santhi Srinivasa Reddy, Secretary under the society of Atluri Mastan Reddy Educational Society in the year 2007 to serve the cause of technical education in the backward region of Guntur district of Andhra Pradesh. The college is in a sprawling campus of about 7.5 acres with beautiful green fields surrounding with aesthetically built infrastructure. The college is known for its quality initiatives to provide good quality of education, evolve innovative applications of technology, encourage entrepreneurship and ultimately mould young men and women and thereby providing successful graduates and a continuously learning environment to its stakeholders, while maintaining high ethical, cultural and global standards.

2. OBJECTIVE

The core objective is to establish a long-term linkage with SURYA TEJA CONSTRUCTIONS to reduce the gap between Industry expectations (practice) and academic offerings (theory).

3. SCOPE

a) The Key benefits from SURYA TEJA CONSTRUCTIONS to AMRN are:

- Participating in curriculum design, development and update of the engineering programs
- Providing opportunities for students group to undertake problem solving projects.
- Participating in bodies such as Board of Governors, Academic council, Board of Studies, Industry – Institute Interaction Cell, college research mentoring cell, AICTE – IDEA lab
- Assisting Institution in establishing new laboratories.
- Training students, faculty and technical staff in emerging new technologies and processes.
- Collaborating in joint educational and extension programs such as internships and projects.
- Mentoring for innovation and incubation activities, participating in joint R&D activities.
- Organizing FDPs, workshops and seminars in emerging areas.
- Assisting in improving employability and entrepreneurial training skills required by company and placement opportunities to our student community

b) The Key benefits from SURYA TEJA CONSTRUCTIONS to AMRN are:

- The existing expertise available with AMRN can be utilized by the industry for technology assessment, up gradation and absorption.
- AMRN will encourage and enhance the activities to developing new knowledge innovations and technologies which can be adopted by SURYA TEJA CONSTRUCTIONS
- AMRN will undertake consultancy and a few modules of projects of SURYA TEJA CONSTRUCTIONS for implementation.
- AMRN will train the staff of SURYA TEJA CONSTRUCTIONS in their domain areas both theory and practical as per their needs if required.
- AMRN will provide a large talent pool of students for recruitment

4. GENERAL

This MoU shall enter into force upon signature by both parties and remains in force, unless terminated earlier by either party upon ninety (i.e. 90) days, by giving written notice to the other party.

The termination of this MoU shall not affect the validity or duration of projects under this MoU that are initiated before.

5. MONITORING AND IMPLEMENTATION

The coordination committee consisting of the head of the institution, Dean, Industry relations, AMRN and an officer nominated by SURYA TEJA CONSTRUCTIONS will look into the monitoring and implementation of the various aspects of the MoU. An annual review will be conducted to monitor the progress and furtherance of the activities covered under the MoU

6. SIGNED IN DUPLICATE

- This MoU is executed in duplicate with each copy being an official version of the agreement and having equal legal validity **FOR THREE YEARS** with effect from 24th June 2018 to 3rd May 2021.
- By SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year above written.

SMK SOFT INC

Flat No 12359, Sunrise Valley Dr.Site #170, Reston VA-20191, This memorandum of understanding is entered into on this 26th June 2018 between, A.M.Reddy Memorial College of Engineering and Technology situated at Vinukonda road, Petlurivaripalem (V), Narasaraopet – 522 601, Guntur (Dt), A.P (hereinafter called “AMRN”) SMK SOFT INC (hereinafter called “SMK SOFT”) with its headquarters in Lunceford.

AND

AMRN

A.M.Reddy Memorial College of Engineering and Technology Vinukonda road, Petlurivaripalem (V),Narasaraopet – 522 601, Guntur (Dt)

1. PREAMBLE

SMK SOFT INC a IT Software implementation, business consulting and product Development Company, having its registered office at Flat No-12359, Sunrise Valley Dr.Site # 170, Restone VA-20191. Offers solutions to enterprises across the globe.SMK SOFT INC is specialized in Python E-Business Suite, and application development. SMK SOFT INC enables enterprises reduce complexity and achieve business agility. Driven by passion for customer satisfaction, SMK SOFT INC believes in efficiently delivering promised business outcome to customers. SMK SOFT INC profile can be found at <http://SMKSOFTINC.com>.

A M Reddy Memorial College of Engineering and Technology was established by Sri. Atluri Srinivasa Reddy, Founder Chairman and Smt. Atluri Santhi Srinivasa Reddy, Secretary under the society of Atluri Mastan Reddy Educational Society in the year 2007 to serve the cause of technical education in the backward region of Guntur district of Andhra Pradesh. The college is in a sprawling campus of about 7.5 acres with beautiful green fields surrounding with aesthetically built infrastructure. The college is known for its quality initiatives to provide good quality of education, evolve innovative applications of technology, encourage entrepreneurship and ultimately mould young men and women and thereby providing successful graduates and a continuously learning environment to its stakeholders, while maintaining high ethical, cultural and global standards.

2. OBJECTIVE

The core objective is to establish a long-term linkage with SMK SOFT INC to reduce the gap between Industryexpectations (practice) and academic offerings (theory).

3. SCOPE

a) The Key benefits from SMK SOFT INC to AMRN are:

- Participating in curriculum design, development and update of the engineering programs
- Providing opportunities for students group to undertake problem solving projects.
- Participating in bodies such as Board of Governors, Academic council, Board of Studies, Industry – Institute Interaction Cell, college research mentoring cell, AICTE – IDEA lab
- Assisting Institution in establishing new laboratories.
- Training students, faculty and technical staff in emerging new technologies and processes.
- Collaborating in joint educational and extension programs such as internships and projects.
- Mentoring for innovation and incubation activities, participating in joint R&D activities.
- Organizing FDPs, workshops and seminars in emerging areas.
- Assisting in improving employability and entrepreneurial training skills required by company and placement opportunities to our student community

b) The Key benefits from SMK SOFT INC to AMRN are:

- The existing expertise available with AMRN can be utilized by the industry for technology assessment, up gradation and absorption.
- AMRN will encourage and enhance the activities to developing new knowledge innovations and technologies which can be adopted by SMK SOFT INC

infrastructure and facilitates technical knowledge and professional excellence in Engineering and Technology by undertaking industrial & applied research and consultancy.

AND

Whereas, N.S. Computers, #1-7-267 to 275, ground floor, Kamakshi commercial complex, S. D. Road, Chenoy trade centre, parklane, Secundrabad – 500 003, Shree Technologies use to recycle the electronic components by making use of old electronics components to produce new products and it also, dispose the unused e-waste to final recycling at the recyclers end.

On the other side, AMRMCET and N. S. Computers are now aware of how crucial it is to manage e-waste in order to preserve a clean environment by responsibly disposing of recyclable e-waste on a periodic basis. To create an eco-friendly atmosphere on campus, both parties will collaborate to create an eco-balancing environment.

Therefore, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both AMRMCET and N. S. Computers hereby acknowledge and agree to sign a memorandum of understanding (MoU).

Objectives:

- To create an eco-friendly enviroment in the campus
- To utilize the e-waste at the optimum level and further to recycle at recycler end
- To exchange/dispose various type of electronic goods

Activities:

- e-waste management: electronic goods are put to optimum use, minor repairs are set right by the laboratory assistants and teaching staff, and major repairs are handed over by the technical assistant and reused.
- The major e-waste such as written off instriments/equipments, CRT's, printers's and computers are to sell
- Electronic gadgets, circuits, kits have been return off on regular basis

- The awareness programmes have to be undertaken in the institute where the students are made aware of the e-waste management techniques.

Commencement and tenure:

This memorandum of understanding (MoU) shall become effective on the date of signing for one year unless either side gives the other written notice of its desire to revise or terminate the MoU at least three months prior to its termination.

Duration and recindence of MoU:

The agreement shall come into effect on **August 22nd 2022**. Changes to this agreement shall be made with mutual consent between both parties. In cases of disagreement, the parties wishing to depart from the agreement shall, wherever possible, give three months notice of their intention to do so. The agreement shall be reviewed after a period of one year.

MEMORANDUM OF UNDERSTANDING

Between

A M Reddy Memorial College of Engineering and Technology Vinukonda road, Petlurivaripalem (V), Narasaraopet - 522 601, Guntur (Dt)

AND
PRO IT SOLUTIONS

Flat No M-1804, Rainbow Vistas @ Rock Garden, Green Hills Road, Hyderabad - 500018 This memorandum of understanding is entered into on this 8th June 2018 between, A M Reddy Memorial College of Engineering and Technology situated at Vinukonda road, Petlurivaripalem (V), Narasaraopet - 522 601, Guntur (Dt), A.P (hereinafter called "AMRN") and PRO IT Solutions (hereinafter called "PRO IT") with its headquarters in Hyderabad.

1. PREAMBLE

A M Reddy Memorial College of Engineering and Technology was established by Sri. Atluri Srinivasa Reddy, Founder Chairman and Smt. Atluri Santhi Srinivasa Reddy, Secretary under the society of Atluri Mastan Reddy Educational Society in the year 2007 to serve the cause of technical education in the backward region of Guntur district of Andhra Pradesh. The college is in a sprawling campus of about 7.5 acres with beautiful green fields surrounding with aesthetically built infrastructure. The college is known for its quality initiatives to provide good quality of education, evolve innovative applications of technology, encourage entrepreneurship and ultimately mould young men and women and thereby providing successful graduates and a continuously learning environment to its stakeholders, while maintaining high ethical, cultural and global standards.

PRO IT Solutions an IT Software implementation, business consulting and product Development Company, having its registered office at Flat No M-1804, Rainbow Vistas @ Rock Garden, Green Hills Road, Hyderabad, Telangana - 500018. Offers solutions to enterprises across the globe. PRO IT is specialized in Oracle E-Business Suite, and application development. PRO IT enables enterprises reduce complexity and achieve business agility. Driven by passion for customer satisfaction, PRO IT believes in efficiently delivering promised business outcome to customers. PRO IT profile can be found at

2. OBJECTIVE

The core objective is to establish a long-term linkage with PRO IT to reduce the gap between Industry expectations (practice) and academic offerings (theory).

3. SCOPE

a) The Key benefits from PRO IT to AMRN are:

- Participating in curriculum design, development and update of the engineering programs
- Providing opportunities for students group to undertake problem solving projects.
- Participating in bodies such as Board of Governors, Academic council, Board of Studies, Industry - Institute Interaction Cell, college research mentoring cell, AICTE - IDEA lab
- Assisting Institution in establishing new laboratories.
- Training students, faculty and technical staff in emerging new technologies and processes.
- Collaborating in joint educational and extension programs such as internships and projects.
- Mentoring for innovation and incubation activities, participating in joint R&D activities.
- Organizing FDPs, workshops and seminars in emerging areas.
- Assisting in improving employability and entrepreneurial training skills required by company and placement opportunities to our student community

b) The Key benefits from PRO IT to AMRN are:

- The existing expertise available with AMRN can be utilized by the industry for technology assessment, up gradation and absorption.
- AMRN will encourage and enhance the activities to developing new knowledge innovations and technologies which can be adopted by PRO IT.

- AMRN will undertake consultancy and a few modules of projects of PRO IT for implementation.
- AMRN will train the staff of PRO IT in their domain areas both theory and practical as per their needs if required.
- AMRN will provide a large talent pool of students for recruitment

4. GENERAL

This MoU shall enter into force upon signature by both parties and remains in force, unless terminated earlier by either party upon ninety (i.e 90) days, by giving written notice to the other party.

The termination of this MoU shall not affect the validity or duration of projects under this MoU that are initiated before.

5. MONITORING AND IMPLEMENTATION

The coordination committee consisting of the head of the institution, Dean, Industry relations, AMRN and an officer nominated by PRO IT will look into the monitoring and implementation of the various aspects of the MoU. An annual review will be conducted to monitor the progress and furtherance of the activities covered under the MoU

6. SIGNED IN DUPLICATE

3. In case of any discrepancy please inform the Competent Authority.

About AMRN:

A.M. Reddy Memorial College of Engineering and Technology (AMRN), popularly known as AM Reddy College was established in the year 2008, by A.M. REDDY EDUCATIONAL SOCIETY in Petlurivaripalem, Narasaraopet, Palnadu (Dt.) by Sri. A. SRINIVASA REDDY, the Chairman. AM Reddy College is affiliated to Jawaharlal Nehru Technological University Kakinada and approved by AICTE. AM Reddy College is located little far from the hustle and bustle of the city life in a scenic and serene environment spread over an extensive 10.9425 acres amidst the lush fields just 3 kms away from Sub-Urban of Narasaraopet. The institute has set a benchmark in providing its students the very best in terms of infrastructure and academic services. The college meticulously implements quality policy, absolute discipline, well ventilated classrooms, multimodal teaching methodology, additional trainings for campus placements, caring teachers, committed staff, proactive managing committee, vigilant security, a dedicated canteen, separate hostel facilities for boys and girls, a fleet of buses, a mineral water plant, spacious auditorium, and outdoor grounds, and all supported with uninterrupted power backup.

The college currently offers 5 Polytechnic courses, 7 Under Graduate, and 2 Post Graduate courses in Engineering. AM Reddy college has various clubs that encourage all the students and staff to fuse freely in expressing views and share the inner talents and excel. Motivational talks, spiritual discourses, academic seminars, career guidance and advices by prospective employers, educational counseling, remedial classes, intramural literary and cultural competitions, competitions in sports and games, project exhibitions, student symposiums, parades and drills, community services, campaigning for social causes, participations in awareness programmes, placement drives, College day, Freshers and Farewells, and other Techno-Cultural Festivals provide students a comprehensive and satisfying learning and campus experiences.

II. Objectives and terms of Collaboration

- Industrial Training
- In – Plant Training
- Technical Resource support
- Industry may depute its personnel as visiting faculty at AMRN to teach any of the regular course or specialized topics of your choice.
- AMRN and Industry shall make provisions to share their respective important R&D facilities in order to promote academic and research interaction in the areas of cooperation.
- Internships for students:
 - Students chosen for interns should be in good standing at their school or university and should submit a report after completion.
 - Generally, interns must be able to work full-time during period of the allotted defined work tour / period. Interns must make good progress (completion of all academic requirements as stipulated by the governing academic body) toward the completion of his/her degree between work tours.
 - Academic progress of interns is subject to period review by the academic partner. Students must familiarize themselves with Jocil Limited policies.
 - Failure to adhere to policies while on tour as an intern may result in termination of internship.

- The students are responsible to follow all safety norms as prescribed by the company.
- The company is not responsible in case of any incident occurs at work place due to the negligence/violation of safety rules by the student.
- Once the list of selected students is communicated and accepted, no changes will be accepted or replaced from the selected list. The company's selection is final for stipulated internship period.

III. Liability:

- Each party takes reasonable care and precaution in fulfilling the spirit of this MoU. No other liabilities are applicable unless explicitly agreed before in writing by the authorized persons.

IV. Term and Termination of this Memorandum of Understanding:

- This Memorandum of Understanding shall last for the initial period of 3 years from the effective date unless extended in writing one month prior to date of expiry.
- Either party is free to withdraw at any time during the initial period with prior written notice to the other party of its intention to withdraw. During that year, both parties will Endeavour to address and correct the concern of the party who wishes to withdraw. If those efforts are not successful, this memorandum of understanding will terminate when the 3 month notice period expires.

V. Amendments:

- Amendments to this MoU may be proposed, either by the undersigned or their successors, and shall become effective only if agreed to, in writing, by the undersigned or their successors.

VI. General:

- This MoU is and will be available for disclosure to the general public.
- This MoU is an agreement between both parties and does not create or confer any right or benefit on any other person or party, private or public.
- The parties are and shall remain independent contractors and nothing herein shall be construed to create a partnership, agency, joint venture or teaming agreement between the parties. Nothing herein shall be constructed as implying that either part's employees are employees of the other.
- A determination that any term of this MoU is invalid for any reason shall not affect the validity of the remaining terms of the MoU.
- This MoU constitutes the entire agreement between the parties and supersedes all prior agreements and understandings, whether oral or written.

Founded by a dynamic entrepreneur with a forceful forward vision by establishing company SRI LAKSHMI GANAPATHI ENGINEERING WORKS, the corporate growth of the Kumar Group is a success born of determination and a burning desire to break new ground. A relentless journey of innovation, an unsurpassed accomplishment, where a one-man organization grew to the magnitude of a gigantic corporate presence.

The excellence of the products coupled with the affordable pricing has increased and sustained a strident growth all over India. Promising and prolific markets comprise the states of Andhra Pradesh, Tamilnadu, Kerala, Karnataka, Madhya Pradesh, Maharashtra, Gujarat, Uttar Pradesh, Bihar, Orissa, West Bengal and Assam.

The Kumar Quality is legendary. Reputed for its "No Problem" performance, the firm technology back up of the company constantly upgrades skills and processes to match the changing needs. The state of the art manufacturing process includes...

AUTOMATED FOUNDRY:

The latest Moulding machines based on frontier German Technology and technical knowhow are used to guarantee the highest accuracy and strength.

INDUCTION FURNACE & METALLURGICAL LAB:

Melts Iron up to 1500°C in controlled process, measures the composition and strength of the metal in metallurgical lab using spectrometer before pouring the liquid iron.

SHOT BLASTING:

This sure shot method is employed to ensure the high quality of component cleaning and the perfect flawless finish.

CNC, VMC & HMC MACHINES:

The pumps components are machined on the high tech Computerized Numerical Controlled machines for high accuracy and interchangeability.

CNC GRINDING MACHINES:

Micron precision and accuracy is achieved in the manufacture of Shafts and Rotors for longer fault-free performance of pumps.

DYNAMIC BALANCING OF THE ROTORS:

Dynamic Balancing of the Rotors and Impellers extends the pump life and durability of Motor Bearings.

KUMAR strives endlessly to upgrade all aspects of its technology, product line and human resources. The Company is actively exploring the possibilities of expanding the product line and production capacity providing more value added products for domestic and agricultural markets. Promising a powerful growth towards prosperous future

MEMORANDUM OF UNDERSTANDING

Between

N3 TECHNOLOGIES

Flat No 8106, Birnam Wood Dr, Mclean VA-22102, This memorandum of understanding is entered into on this 12th June 2018 between, A M Reddy Memorial College of Engineering and Technology situated at Vinukonda road, Petlurivaripalem (V), Narasaraopet – 522 601, Guntur (Dt), A.P (hereinafter called “AMRN”) N3 Technologies (hereinafter called “N3TECH”) with its headquarters in Lunceford.

AND

AMRN

A.M.Reddy Memorial College of Engineering and Technology Vinukonda road, Petlurivaripalem (V),Narasaraopet – 522 601, Guntur (Dt)

1. PREAMBLE

N3 Technologies a IT Software implementation, business consulting and product Development Company, having its registered office at Flat No-8106, Birnam Wood Dr Mclean VA-22102. Offers solutions to enterprises across the globe.N3 TECHNOLOGIES is specialized in Java E-Business Suite, and application development. N3 TECHNOLOGIES enables enterprises reduce complexity and achieve business agility. Driven by passion for customer satisfaction, N3 TECHNOLOGIES believes in efficiently delivering promised business outcome to customers. N3 TECHNOLOGIES profile can be found at <http://N3TECHNOLOGIES.com>.

A M Reddy Memorial College of Engineering and Technology was established by Sri. Atluri Srinivasa Reddy, Founder Chairman and Smt. Atluri Santhi Srinivasa Reddy, Secretary under the society of Atluri Mastan Reddy Educational Society in the year 2007 to serve the cause of technical education in the backward region of Guntur district of Andhra Pradesh. The college is in a sprawling campus of about 7.5 acres with beautiful green fields surrounding with aesthetically built infrastructure. The college is known for its quality initiatives to provide good quality of education, evolve innovative applications of technology, encourage entrepreneurship and ultimately mould young men and women and thereby providing successful graduates and a continuously learning environment to its stakeholders, while maintaining high ethical, cultural and global standards.

2. OBJECTIVE

The core objective is to establish a long-term linkage with N3 TECHNOLOGIES to reduce the gap between Industryexpectations (practice) and academic offerings (theory).

3. SCOPE

a) The Key benefits from N3 TECHNOLOGIES to AMRN are:

- Participating in curriculum design, development and update of the engineering programs
- Providing opportunities for students group to undertake problem solving projects.
- Participating in bodies such as Board of Governors, Academic council, Board of Studies, Industry – Institute Interaction Cell, college research mentoring cell, AICTE – IDEA lab
- Assisting Institution in establishing new laboratories.
- Training students, faculty and technical staff in emerging new technologies and processes.
- Collaborating in joint educational and extension programs such as internships and projects.
- Mentoring for innovation and incubation activities, participating in joint R&D activities.
- Organizing FDPs, workshops and seminars in emerging areas.
- Assisting in improving employability and entrepreneurial training skills required by company and placement opportunities to our student community

b) The Key benefits from N3 TECHNOLOGIES to AMRN are:

- The existing expertise available with AMRN can be utilized by the industry for technology assessment, up gradation and absorption.
- AMRN will encourage and enhance the activities to developing new knowledge innovations and technologies which can be adopted by N3 TECHNOLOGIES
- AMRN will undertake consultancy and a few modules of projects of N3 TECHNOLOGIES for implementation.
- AMRN will train the staff of N3 TECHNOLOGIES in their domain areas both theory and practical as per their needs if required.
- AMRN will provide a large talent pool of students for recruitment

4. GENERAL

This MoU shall enter into force upon signature by both parties and remains in force, unless terminated earlier by either party upon ninety (i.e. 90) days, by giving written notice to the other party.

The termination of this MoU shall not affect the validity or duration of projects under this MoU that are initiated before.

5. MONITORING AND IMPLEMENTATION

The coordination committee consisting of the head of the institution, Dean, Industry relations, AMRN and an officer nominated by N3 TECHNOLOGIES will look into the monitoring and implementation of the various aspects of the MoU. An annual review will be conducted to monitor the progress and furtherance of the activities covered under the MoU

6. SIGNED IN DUPLICATE

- This MoU is executed in duplicate with each copy being an official version of the agreement and having equal legal validity **FOR THREE YEARS** with effect from 12th June 2018 to 2nd May 2021.
- By SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year above written.

August 22nd 2022

Whereas, AM Reddy Memorial College of Engineering and Technology, Petlurivaripalem (V), Vinukonda Road, Narasaraopet – 522 601, Palnadu (Dt), A.P is an affiliated institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilitates technical knowledge and professional excellence in Engineering and Technology by undertaking industrial & applied research and consultancy.

AND

Whereas, N.S. Computers, #1-7-267 to 275, ground floor, Kamakshi commercial complex, S. D. Road, Cheney trade centre, parklane, Secundrabad – 500 003, Shree Technologies use to recycle the electronic components by making use of old electronics components to produce new products and it also, dispose the unused e-waste to final recycling at the recyclers end.

On the other side, AMRMCET and N. S. Computers are now aware of how crucial it is to manage e-waste in order to preserve a clean environment by responsibly disposing of recyclable e-waste on a periodic basis. To create an eco-friendly atmosphere on campus, both parties will collaborate to create an eco-balancing environment.

Therefore, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both AMRMCET and N. S. Computers hereby acknowledge and agree to sign a memorandum of understanding (MoU).

Objectives:

- To create an eco-friendly environment in the campus
- To utilize the e-waste at the optimum level and further to recycle at recycler end
- To exchange/dispose various type of electronic goods

Activities:

- e-waste management: electronic goods are put to optimum use, minor repairs are set right by the laboratory assistants and teaching staff, and major repairs are handed over by the technical assistant and reused.
- The major e-waste such as written off instruments/equipments, CRT's, printers's and computers are to sell
- Electronic gadgets, circuits, kits have been return off on regular basis
- The awareness programmes have to be undertaken in the institute where the students are made aware of the e-waste management techniques.

Commencement and tenure:

This memorandum of understanding (MoU) shall become effective on the date of signing for one year unless either side gives the other written notice of its desire to revise or terminate the MoU at least three months prior to its termination.

Duration and recindence of MoU:

The agreement shall come into effect on **August 22nd 2022**. Changes to this agreement shall be made with mutual consent between both parties. In cases of disagreement, the parties wishing to depart from the agreement shall, wherever possible, give three months notice of their intention to do so. The agreement shall be reviewed after a period of one year.

AND

AMRN

A.M.Reddy Memorial College of Engineering and Technology Vinukonda road, Petlurivaripalem (V),Narasaraopet – 522 601, Guntur (Dt)

1. PREAMBLE

GREAT AMERICAN OH INVESTMENTS a Investment, business consulting and product Development Company, having its registered office 6578 GLENSTONE WAY, MASON, OH, 45040.USA. Offers constructions to enterprises across the globe. GREAT AMERICAN OH INVESTMENTS is specialized in Investments, and development. Great American OH Investments enables enterprises reduce complexity and achieve business agility. Driven by passion for customer satisfaction, GREAT AMERICAN OH INVESTMENTS believe in efficiently delivering promised business outcome to customers. Great American OH Investments profile can be found at [GREAT AMERICAN OH INVESTMENTS LLC :: Ohio \(US\) :: OpenCorporates](#)

A M Reddy Memorial College of Engineering and Technology was established by Sri. Atluri Srinivasa Reddy, Founder Chairman and Smt. Atluri Santhi Srinivasa Reddy, Secretary under the society of Atluri Mastan Reddy Educational Society in the year 2007 to serve the cause of technical education in the backward region of Guntur district of Andhra Pradesh. The college is in a sprawling campus of about 7.5 acres with beautiful green fields surrounding with aesthetically built infrastructure. The college is known for its quality initiatives to provide good quality of education, evolve innovative applications of technology, encourage entrepreneurship and ultimately mould young men and women and thereby providing successful graduates and a continuously learning environment to its stakeholders, while maintaining high ethical, cultural and global standards.

2. OBJECTIVE

The core objective is to establish a long-term linkage with GREAT AMERICAN OH INVESTMENTS to reduce the gap between Industry expectations (practice) and academic offerings (theory).

a) The Key benefits from GREAT AMERICAN OH INVESTMENTS to AMRN are:

- Participating in curriculum design, development and update of the engineering programs
- Providing opportunities for students group to undertake problem solving projects.
- Participating in bodies such as Board of Governors, Academic council, Board of Studies, Industry – Institute Interaction Cell, college research mentoring cell, AICTE – IDEA lab
- Assisting Institution in establishing new laboratories.
- Training students, faculty and technical staff in emerging new technologies and processes.
- Collaborating in joint educational and extension programs such as internships and projects.
- Mentoring for innovation and incubation activities, participating in joint R&D activities.
- Organizing FDPs, workshops and seminars in emerging areas.
- Assisting in improving employability and entrepreneurial training skills required by company and placement opportunities to our student community

b) The Key benefits from GREAT AMERICAN OH INVESTMENTS to AMRN are:

- The existing expertise available with AMRN can be utilized by the industry for technology assessment, up gradation and absorption.
- AMRN will encourage and enhance the activities to developing new knowledge innovations and technologies which can be adopted by GREAT AMERICAN OH INVESTMENTS
- AMRN will undertake consultancy and a few modules of projects of GREAT AMERICAN OH INVESTMENTS for implementation.
- AMRN will train the staff of GREAT AMERICAN OH INVESTMENTS in their domain areas both theory and practical as per their needs if required.
- AMRN will provide a large talent pool of students for recruitment

4. GENERAL

This MoU shall enter into force upon signature by both parties and remains in force, unless terminated earlier by either party upon ninety (i.e. 90) days, by giving written notice to the other party.

The termination of this MoU shall not affect the validity or duration of projects under this MoU that are initiated before.

5. MONITORING AND IMPLEMENTATION

The coordination committee consisting of the head of the institution, Dean, Industry relations, AMRN and an officer nominated by GREAT AMERICAN OH INVESTMENTS will look into the monitoring and implementation of the various aspects of the MoU. An annual review will be conducted to monitor the progress and furtherance of the activities covered under the MoU

6. SIGNED IN DUPLICATE

- This MoU is executed in duplicate with each copy being an official version of the agreement and having equal legal validity **FOR THREE YEARS** with effect from 29th June 2021 to 4th May 2024.
- By SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year above written.

This Memorandum of Understanding was signed on this day of July, 17th 2021 by and between **A. M. Reddy Memorial College of Engineering and Technology**, Vinukonda road, Petlurivaripalem (V), Narasaraopet – 522 601, represented by Dr. M. Rama Krishna, Principal here in after called the **FIRST PARTY**.

And

LAKSHMI GANAPATHI ENTREPRISES, OLD BOOKS & ALL SCRAPS, CHILAKALURIPET – 522 616, GUNTUR (Dt), represented by Mr. K. Suresh Babu its D. No: 1 – 983 – 3, NTR Colony, Chilakaluripet here in after called the **SECOND PARTY**.

LAKSHMI GANAPATHI ENTREPRISES, Chilakaluripet wholesale dealer of waste paper, collects dry recyclable wastes sent to private limited companies to carry on the business of manufacturers, importers, including writing paper and printing paper etc.

Whereas A. M. Reddy Memorial College of Engineering and Technology has agreed to dispose of all recyclable paper, plastic, electronic and metal waste generated within the campus. The collected dry recyclables from AM Reddy Memorial College of Engineering and Technology will be initiated as per the schedule, which both parties agreed on mutually.

This MoU is intended to create a synergic alliance between AM Reddy Memorial College of Engineering and Technology & Lakshmi Ganapathi Entreprises for recycling dry waste, while is a vital element in the protection of the environment.

1. Definition:

- Waste Paper: discarded and toren papers, broken cardboards, newspapers, magazines, shaded papers, old office records etc.
- Plastic: water bottles, polythene sheets, carry bags, pet bottles and CPVC materials etc.
- Metal Waste: Iron scrap, condemned iron and any other metals etc
- Designated Day: A day at the end of the semester agreed upon between the parties.

2. Pickup locations:

A. M. Reddy Memorial College of Engineering and Technology	
Contact person	A. Venkat Reddy
Designation	AO
Whatsapp no	9959835065
Preferable week for pickup	Saturday
Approximate time	4.00 PM

3. Quality and Quantity:

- Materials should be free from food particles, without any contamination of garbage, municipal waste or any item which are detrimental

b) Minimum required quantity is 200 Kg.

4. Roles and Responsibilities of AMRMCET:

- a) A. M. Reddy Memorial College of Engineering and Technology shall identify the quantum of waste paper and plastic generated at various locations within the campus.
- b) College would store the waste paper, plastic and e-waste and inform the same to Lakshmi Ganapathi Enterprises to pick it up on a mutually agreed schedule.
- c) payment will be processed within two weeks from the date of receipt of the invoice, along with the gate pass and weighment slip.

5) Payment Options:

Lakshmi Ganapathi Enterprises shall pay to A. M. Reddy Memorial College of Engineering and Technology after pick up the materials consideration amount based on weight recorded @Rs 7/- (rupees seven) per Kg cartoon boxes, shredding paper, old news paper, old magazines, old office records and dustbin papers etc, @Rs 16/- (rupees sixteen) per Kg for dry waste, plastic waste @Rs 4/- (rupees four) per Kg, metal waste @ Rs20/- (rupees twenty) per Kg etc. Payouts will be made to AMReddy Memorial College of Engineering and Technology after the collection of the materials.

6) General Roles and Responsibilities:

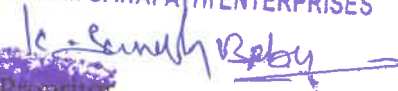

- a) A Confirmation by both parties that no benefit either in cash or kind has been provided by either party to the other party or to any officer or employee or any relative / associate institutions / companies in order to enter into this agreement
- b) An understanding by both the parties not to provide any benefit either in cash or kind to any officer / employer / relative / associate of any officer or employee of their party as reward or consideration either for entering into this MoU or other matter relating to this agreement.
- c) Entry into force and duration: This agreement comes into force on July 17th 2021 and continued for **THREE** years. Either party may terminate this agreement by giving thirty days written notice to the other party. We wish to suggest an open – ended document, not a periodical document since truss recycling activity is continuing.

The first party and second party having read this document and understanding it in full on this day of July, 17th 2021, have affixed their signatures to work together collaboratively.

OBJECTIVES OF THE MOU:

The objective of this Memorandum of Understanding is:

- A. To promote interaction between AMRMCET and Microlink in mutually beneficial areas.
- B. To provide a formal basis for initiating interaction between AMRMCET and Microlink.

PROPOSED MODES OF COLLABORATION:

AMRMCET and propose to collaborate through

1. Exchanging of expertise by means of Guest Lectures, Technical Seminars, Workshops and other events (during regular working days) for the benefit of the faculty and students.
2. Allowing faculty & Staff for industrial training.
3. Conducting Faculty Development Programmes
4. Permitting Practical training to students.

Note: All the above modes will be decided upon mutual consent based on Schedules and Manpower requirement of Company.

Date of the Agreement: 21-06-2021

AGREED:

This Memorandum of Understanding was signed on this day of July, 17th 2021 by and between **A. M. Reddy Memorial College of Engineering and Technology**, Vinukonda road, Petlurivaripalem (V), Narasaraopet – 522 601, represented by Dr. M. Rama Krishna, Principal here in after called the **FIRST PARTY**.

And

LAKSHMI GANAPATHI ENTREPRISES, OLD BOOKS & ALL SCRAPS, CHILAKALURIPET – 522 616, GUNTUR (Dt), represented by Mr. K. Suresh Babu its D. No: 1 – 983 – 3, NTR Colony, Chilakaluripet here in after called the **SECOND PARTY**.

LAKSHMI GANAPATHI ENTREPRISES, Chilakaluripet wholesale dealer of waste paper, collects dry recyclable wastes sent to private limited companies to carry on the business of manufacturers, importers, including writing paper and printing paper etc.

Whereas A. M. Reddy Memorial College of Engineering and Technology has agreed to dispose of all recyclable paper, plastic, electronic and metal waste generated within the campus. The collected dry recyclables from AM Reddy Memorial College of Engineering and Technology will be initiated as per the schedule, which both parties agreed on mutually.

This MoU is intended to create a synergic alliance between AM Reddy Memorial College of Engineering and Technology & Lakshmi Ganapathi Entreprises for recycling dry waste, while is a vital element in the protection of the environment.

1. Definition:

- Waste Paper: discarded and toren papers, broken cardboards, newspapers, magazines, shaded papers, old office records etc.
- Plastic: water bottles, polythene sheets, carry bags, pet bottles and CPVC materials etc.
- Metal Waste: Iron scrap, condemned iron and any other metals etc
- Designated Day: A day at the end of the semester agreed upon between the parties.

2. Pickup locations:

A. M. Reddy Memorial College of Engineering and Technology	
Contact person	A. Venkat Reddy
Designation	AO
Whatsapp no	9959835065
Preferable week for pickup	Saturday
Approximate time	4.00 PM

3. Quality and Quantity:

- Materials should be free from food particles, without any contamination of garbage, municipal waste or any item which are detrimental

b) Minimum required quantity is 200 Kg.

4. Roles and Responsibilities of AMRMCET:

- a) A. M. Reddy Memorial College of Engineering and Technology shall identify the quantum of waste paper and plastic generated at various locations within the campus.
- b) College would store the waste paper, plastic and e-waste and inform the same to Lakshmi Ganapathi Enterprises to pick it up on a mutually agreed schedule.
- c) payment will be processed within two weeks from the date of receipt of the invoice, along with the gate pass and weightment slip.

5) Payment Options:

Lakshmi Ganapathi Enterprises shall pay to A. M. Reddy Memorial College of Engineering and Technology after pick up the materials consideration amount based on weight recorded @Rs 7/- (rupees seven) per Kg cartoon boxes, shredding paper, old news paper, old magazines, old office records and dustbin papers etc, @Rs 16/- (rupees sixteen) per Kg for dry waste, plastic waste @Rs 4/- (rupees four) per Kg, metal waste @ Rs20/- (rupees twenty) per Kg etc. Payouts will be made to AMReddy Memorial College of Engineering and Technology after the collection of the materials.

6) General Roles and Responsibilities:

- a) A Confirmation by both parties that no benefit either in cash or kind has been provided by either party to the other party or to any officer or employee or any relative / associate institutions / companies in order to enter into this agreement
- b) An understanding by both the parties not to provide any benefit either in cash or kind to any officer / employer / relative / associate of any officer or employee of their party as reward or consideration either for entering into this MoU or other matter relating to this agreement.
- c) Entry into force and duration: This agreement comes into force on July 17th 2021 and continued for **THREE** years. Either party may terminate this agreement by giving thirty days written notice to the other party. We wish to suggest an open – ended document, not a periodical document since truss recycling activity is continuing.

The first party and second party having read this document and understanding it in full on this day of July, 17th 2021, have affixed their signatures to work together collaboratively.

Authorized signatures:

MEMORANDUM OF UNDERSTANDING

Between

ASR TECH GROUP

Flat No 11710, Plaza America Drive, Reston VA-20190, This memorandum of understanding is entered into on this 17th June 2018 between, A.M.Reddy Memorial College of Engineering and Technology situated at Vinukonda road, Petlurivaripalem (V), Narasaraopet – 522 601, Guntur (Dt), A.P (hereinafter called “AMRN”) ASR TECH GROUP (hereinafter called “ASR TG”) with its headquarters in Luncford.

AND

AMRN

A.M.Reddy Memorial College of Engineering and Technology Vinukonda road, Petlurivaripalem (V),Narasaraopet – 522 601, Guntur (Dt)

1. PREAMBLE

ASR Tech Group a IT Software implementation, business consulting and product Development Company, having its registered office at Flat No-11710, America Drive, Restone VA-22102. Offers solutions to enterprises across the globe.ASR TECH GROUP is specialized in Python E-Business Suite, and application development. ASR TECH GROUP enables enterprises reduce complexity and achieve business agility. Driven by passion for customer satisfaction, ASR TECH GROUP believes in efficiently delivering promised business outcome to customers. ASR TECH GROUP profile can be found at <http://ASRTECHGROUP.com>.

A M Reddy Memorial College of Engineering and Technology was established by Sri. Atluri Srinivasa Reddy, Founder Chairman and Smt. Atluri Santhi Srinivasa Reddy, Secretary under the society of Atluri Mastan Reddy Educational Society in the year 2007 to serve the cause of technical education in the backward region of Guntur district of Andhra Pradesh. The college is in a sprawling campus of about 7.5 acres with beautiful green fields surrounding with aesthetically built infrastructure. The college is known for its quality initiatives to provide good quality of education, evolve innovative applications of technology, encourage entrepreneurship and ultimately mould young men and women and thereby providing successful graduates and a continuously learning environment to its stakeholders, while maintaining high ethical, cultural and global standards.

2. OBJECTIVE

The core objective is to establish a long-term linkage with ASR TECH GROUP to reduce the gap between Industry expectations (practice) and academic offerings (theory).

3. SCOPE

a) The Key benefits from ASR TECH GROUP to AMRN are:

- Participating in curriculum design, development and update of the engineering programs
- Providing opportunities for students group to undertake problem solving projects.
- Participating in bodies such as Board of Governors, Academic council, Board of Studies, Industry – Institute Interaction Cell, college research mentoring cell, AICTE – IDEA lab
- Assisting Institution in establishing new laboratories.
- Training students, faculty and technical staff in emerging new technologies and processes.
- Collaborating in joint educational and extension programs such as internships and projects.
- Mentoring for innovation and incubation activities, participating in joint R&D activities.
- Organizing FDPs, workshops and seminars in emerging areas.
- Assisting in improving employability and entrepreneurial training skills required by company and placement opportunities to our student community

b) The Key benefits from ASR TECH GROUP to AMRN are:

- The existing expertise available with AMRN can be utilized by the industry for technology assessment, up gradation and absorption.
- AMRN will encourage and enhance the activities to developing new knowledge innovations and technologies which can be adopted by ASR TECH GROUP
- AMRN will undertake consultancy and a few modules of projects of ASR TECH GROUP for implementation.
- AMRN will train the staff of ASR TECH GROUP in their domain areas both theory and practical as per their needs if required.
- AMRN will provide a large talent pool of students for recruitment

4. GENERAL

This MoU shall enter into force upon signature by both parties and remains in force, unless terminated earlier by either party upon ninety (i.e. 90) days, by giving written notice to the other party.

The termination of this MoU shall not affect the validity or duration of projects under this MoU that are initiated before.

5. MONITORING AND IMPLEMENTATION

The coordination committee consisting of the head of the institution, Dean, Industry relations, AMRN and an officer nominated by ASR TECH GROUP will look into the monitoring and implementation of the various aspects of the MoU. An annual review will be conducted to monitor the progress and furtherance of the activities covered under the MoU

Memorandum of Understanding (MoU)

Between

AM Reddy Memorial College of Engineering and Technology (AMRN)

and

MCore Tech Academy Pvt. Ltd. (MCoreta)

This Memorandum of Understanding (here in after referred as MOU) is made on this date:

5th July 2023, by and between:

1. AM Reddy Memorial College of Engineering and Technology, Vinukonda Road, Petlurivaripalem (V), Narasaraopet – 522 601, Palnadu (Dt), A.P India.

And

2. MCore Tech Academy Pvt. Ltd. (MCoreta), having registered office at R.No-3, #10/107, ChennaNayakanaPalya, Near Subramanya Temple, Nagasandra Post, Bangalore - 560073, GST number: 29AAOCM8663J1ZKAnd it'sWorks.Office is located at No.63, R.No#2, 2nd Floor, Byraveshwara Industrial Estate, Hegganahalli, Near Andrahalli Main Road, Peenya II Stage, Bangalore – 560091.

AMRN and MCoreta are herein after together referred as "Parties" and individually as "Party".

Page: 1 of 5

Background and Purpose

AMRN and MCoreta have agreed to enter into this MoU, which is intended to be the guiding document for defining the relationship between the two parties and the agreement to promote collaboration, engagement and interaction between AMRN and MCoreta in mutually beneficial areas.

A) Understanding between the two parties

1. Both parties acknowledge the need to collaborate and consult on Technologies and innovations as per below table:-

S.No	Industry Activity
1	Recruitment of students
2	Online / Offline Seminars
3	One-Month Internship for selected students in an year
4	R&D Inputs to Lecturers-in Power System Protection
5	Industry visit to MCoreta

The collaboration will include above mentioned activities but will not be limited to, co-hosting innovation events, technology and innovation evaluations, end user feedback and knowledge sharing.

2. AMRN will find their teams for project development and innovations from AMRN student pool and faculty and will support them through their Lab infrastructure.
3. As part of programs, MCoreta will provide necessary support & Consulting, related services as and when required to the team members.
4. MCoreta and AMRN shall develop mechanism to make available each other's resources & facilities to each other.
5. MCoreta will make accessible its resources and its network to AMRN's project/consulting teams, on a need basis.
6. AMRN and MCoreta processes and guidelines remain paramount and nothing under this MOU shall supersede those provisions.

7. Both parties are free to acknowledge the “partnership” status and mention the same in their communications subject to mutual agreement on branding and communication protocols.
8. **MCoreta** will travel along with students from their 2nd Year Sem-1 Onwards.
i.e Every Semester one industry program to be conducted.
