## SUMMARY:

- The Principal welcomed the attendees and explained the purpose of the meeting. He gave a brief overview of the NAAC accreditation process and the role of IQAC in quality assurance and enhancement of the institution.
- The Vice-Principal presented a PowerPoint presentation on the guidelines for the creation and functioning of IQAC. He highlighted the strategies, functions, benefits, and composition of IQAC as per the UGC and NAAC norms.
- The HODs and senior faculty members shared their views and suggestions on the implementation of IQAC in their respective departments and programs. They also raised some issues and concerns regarding the availability of resources, data collection, documentation, and feedback mechanisms.
- The Administrative Officer assured the support and cooperation from the non-teaching staff in IQAC activities. He also suggested some ways to improve the infrastructure, facilities, and services of the college.
- The student representatives expressed their expectations and needs from the IQAC. They volunteered to participate in the IQAC initiatives and to provide feedback and suggestions from the student community.

After a fruitful discussion, the Principal announced the formation of the IQAC committee with the following members:

- Chairperson: Principal
- Co-ordinator
- Senior Administrative Officer: Administrative Officer
- Teachers: One representative from each department
- Management: One nominee from the management
- Local Society: One nominee from the local society
- Alumni: One nominee from the alumni Association
- Students: One representative from each year and program
- External Experts: Two experts from industry/academia/research

The Principal assigned the roles and responsibilities of the IQAC members and asked them to work as a team for the quality improvement of the institution.

The Vice-Principal proposed a tentative action plan for the IQAC for the next six months. The plan included the following activities:

- Conducting a SWOT analysis of the institution
- Developing a vision, mission, and quality policy for the institution
- Preparing an institutional profile and a quality manual
- Establishing quality benchmarks and indicators for various processes and outcomes
- Organizing workshops and seminars on quality-related topics for faculty, staff, and students
- Initiating quality circles and best practices in teaching, learning, and research
- Creating a feedback system for stakeholders and incorporating their suggestions
