### Report on Christmas Day Celebrations

On 24<sup>th</sup> of December 2019, our college celebrated both Christmas and New Year. To set a perfect example of secularism, we celebrated all the festivals in our college. The celebration had taken place in the college campus. The students had decorated the place like a bride. There was the Christmas tree decorated with lamps and toys and flowers in one corner of the place. We had also decorated the stage with Merry Christmas and Happy New Year tags. We celebrated both the events (Christmas Day and Welcoming of New Year) together. It means double fun for us.

The Secretary Mam, Principal and the whole staff, students and faculty members participated in this function. We welcomed them. First of the entire Principal went to the stage and invited Honorable Secretary Smt. Atluri Santhi, wished the students Merry Christmas. She also gave us wishes for the upcoming New Year.

Then cultural programmes started with the prayers to Almighty. Everybody prayed the god for the permanent existence of love and peace in this violent-torn world. The cultural items were filled with songs, prayers, skits and dramas. Some girls sang Christmas Carols then followed by skits with social messages.

There were songs and dances related with New Year also. Everybody enjoyed each and every item. Then our English teacher recited his self-written English poem on New Year. The poem had contained the message of love and unity and a wish for New Year. We also liked the poem.

There was also arrangement of food. We enjoyed delicious Christmas food. Again in the end we prayed for the welfare of human-beings. There was also a surprise element towards the end of the function. Santa Claus came and gave each student a chocolate and cake. We all enjoyed the day very much.
