Report on Engineers Day Celebration

Engineers Day is celebrated every year on September 15th. On this occasion, the students have celebrated Engineers Day. The students decorated the statue of Sri Mokshagundam Visvesvaraya and their classrooms with beautiful pictures and quotes representing different engineers and their great contribution to us. On this occasion they remembered all the Indian engineers and appreciated the marvelous services done to the Nation. Finally they requested their faculty members to cut the cake as a part of celebrations.

Report on Christmas Day Celebrations

On 24th of December, our college celebrated both Christmas and New Year. To set a perfect example of secularism, we celebrated all the festivals in our college. The celebration had taken place in the college campus. The students had decorated the place like a bride. There was the Christmas tree decorated with lamps and toys and flowers in one corner of the place. We had also decorated the stage with Merry Christmas and Happy New Year tags. We celebrated both the events (Christmas Day and Welcoming of New Year) together. It means double fun for us.

The Secretary Smt Atluri Santhi, Principal faculty members and students participated in this function. We welcomed them. First of all, the Principal went to the stage and invited Honorable Secretary Smt. Atluri Santhi Srinivasa Reddy, wished the students Merry Christmas. She also gave us wishes for the upcoming New Year.

Then cultural programmes started with the prayers to Almighty. Everybody prayed the god for the permanent existence of love and peace in this violent-torn world. The cultural items were filled with songs, prayers, skits and dramas. Some girls sang Christmas Carols then followed by skits with social messages. There were songs and dances related with New Year also. Everybody enjoyed each and every item. Then our English teacher recited his self-written English poem on New Year. The poem had contained the message of love and unity and a wish for New Year. We also liked the poem.

There was also arrangement of food. We enjoyed delicious Christmas food. Again in the end we prayed for the welfare of human-beings. There was also a surprise element towards the end of the function. Santa Claus came and gave each student a chocolate and cake. We all enjoyed the day very much.

Report on Sankranti Sambaralu

Sankranti is one of the most important festivals in Andhra Pradesh. The people in Andhra Pradesh celebrate it for 3 days - Bhogi, Sankranti and Kanuma. During this festival entire state is filled with joy and rejoices in their life.

Sankranti, also called 'Makara Sankranti' is celebrated to mark the beginning of the harvesting season in India. It is celebrated almost all over the country, especially in Tamil Nadu, Andhra Pradesh, Karnataka and Maharashtra. During this time, the cultural supremacy of the state comes to the forefront as every place in Andhra Pradesh reflects the festive spirit.

The first day, that is Bhogi Panduga, people burn all old articles. The second day, Pedda Panduga is the Sankranti day when the big festival is held. People are dressed in new clothes and pray to God. There are also feasts arranged for the guests. Cock fighting was a favorite game during the Makara Sankranti, but it is now banned in Andhra Pradesh. The third day, the Kanuma Panduga is the day for having meat after the excessive sweets.

AM Reddy Memorial College of Engineering and Technology celebrates this festival with lots of colorful Rangoli, Kites festival, Decoration and lighting to college building and many more. The College organized the Rangoli Competitions to the students of this college. Many of the students participated in the competitions. Students and lady faculty members of all departments have participated in this event.

Our Honorable Secretary Smt. Atluri Santhi garu and our dynamic principal Dr. Ch. Mallikarjuna garu planned and executed the celebrations of the festival in the college campus in association with NSS Unit of our College. Lady faculty of the college coordinated these rangoli competitions by encouraging them to participate and they distributed the prizes to winners of the competitions.

Report on 74th Republic Day Celebrations

Indian won its freedom on the 15th of August 1947 and became a republic on the 26th of January 1950. The new constitution of free India came into force with the effect on the 26th itself. It is a day of national rejoicing and it is celebrated with zeal and spirit throughout the Country. 74th Republic day in our college was celebrated with great enthusiasm, the campus was decorated with handmade posters on environment, balloons, wall hangings and tricolor dupattas.

Like every year, this year, also all the students and faculty members of AM Reddy Memorial College of Engineering and Technology organized a grand program on the occasion of this Republic Day. Everyone was feeling very happy that day because it was a matter of great pride for all of us because on 26 January 1950, the constitution of India came into force and our country, India became a republic. The program started at 9:00 am. After that, the parade and flag hoisting took place on the college grounds as usual. The Honorable Chairman of our institute Sri. Atluri Srinivas Reddy hoisted the National flag and gave a motivational speech on the topic "Youth Power". This was followed by some speeches on patriotism and the singing of the National anthem. Many students also did different types of programs. The day depicted the development of India from independence. All the students were dressed in traditional costumes representing different parts of India. In the end, the program was concluded by distributing sweet to all the students and faculty members.
