## WOMEN EMPOWERMENT CELL

### ANNUAL ACTION PLAN 2022-23

The cell periodically plans various programs for the benefits of the women folk. The following are the proposed for academic year 2022-23

- To organize an awareness programs of Women health issues
- To conduct an awareness program on YOGA.
- To conduct an awareness program on International day of Women and Girls in Science.
- To celebrate International Women's Day

#### List of events conducted for the AY: 2022 – 23

Sl. No	Description	Date
1.	International Yoga Day	21/06/2022
2.	An awareness program on Menstrual and Personal Hygiene	20/08/2022
3.	International Day of women and Girls in Science	11/02/2023
4.	International Women's Day celebration	08/03/2023

## WOMEN EMPOWERMENT CELL 2022-23

### MINUTES OF MEETING

Venue: Principal chamber

Date: 16/06/2022

The Women Empowerment Cell (WEC) Chairman, Smt. T. Deepthi, conducted a meeting along with the WEC committee members and the student's coordinators.

The Agenda for the meeting was to discuss the following points.

- The committee and the students' coordinators planned the objectives and action plan for the year.
- A schedule was planned, and responsibilities were assigned to committee members and student coordinators.
- The meeting concluded with an oath to spread awareness about various Women-oriented programmes in the college.

#### Women empowerment cell (WEC) committee:

S.No	Name of Committee Member	Designation	Position
1	Smt. T. Deepthi	Asst. Professor, MBA	Chairman
2	Smt. Sk. Nisrath	Asst. Professor, CE	Coordinator
3	Smt. M. Bhavya Sri	Asst. Professor, EEE	Member
4	Smt. K.JhansiRani	Asst. Professor, ME	Member

## Report on International Yoga Day

On the occasion of International Yoga Day on June 21<sup>st</sup> 2022 we conducted an enlightenment program on yoga at A M Reddy Memorial College of Engineering and Technology. The resource person for this program was Mr. Shaik Hasan Jani. He is a Shoto Kan Karate Black belt 7 Holder. He has a plenty of experience in Yoga training throughout India. More than 50 girl students participated in this program.

Mr. Shaik Hasan Jani told the importance of yoga for students as yoga is a meditation program which gives strength and flexibility to the body and relaxation to the mind. At the outset yoga improves concentration amongst students. Yoga helps to manage pain and reduce stress. There are different styles of yoga which includes physical postures, meditation and breathing techniques

Yoga is an ancient practice that includes 6 branches such as Hatha yoga, Raja yoga, Karma yoga, Bhakti yoga, Gnana yoga, Tantra yoga. Amongst all these Gnana yoga is very helpful to pupils as this branch of yoga is about knowledge, wisdom, the way of the scholar and how to develop the intellect through study.

Yoga has mental and physical benefits like constructing muscle strength, reducing stress, cultivating better breathing, decreasing depression, improving peaceful sleep, diminishing chronic pain, enhancing overall development of a student etc. So due to all these benefits we conducted yoga programme for girl students.

## REPORT OF AN AWARENESS PROGRAMME ON MENSTRUAL AND PERSONAL HYGIENE

We have conducted an awareness program on Menstrual and Personal Hygiene for girls on August 20<sup>th</sup> 2022 at A M Reddy Memorial College of Engineering and Technology. The session was taken by Dr. P. S. K. Suhil Azmi, Assistant professor, Siddhartha Institute of Pharmaceutical Sciences, Jonnalagadda. More than 50 girls attended this session.

Dr. P S K Suhil Azmi informed the students about the purpose of Menstrual hygiene as good menstrual hygiene practices have multiple uses like prevention of infections, reduction of odors and help people stay comfortable during their periods. She has also imparted information about the menstrual hygiene products such as sanitary pads, tampons and menstrual cups. She explained how to choose these products and how to use them safely.

Madam has demonstrated about the safe and environmental friendly disposal of used products. Environmental considerations like we should be conscious about the environmental impact of menstrual products and consider reusable options such as menstrual cups or cloth pads to reduce waste. We should not flush pads or tampons down the toilet as they can cause blockages and environmental issues.

At the end madam has concluded that this kind of awareness programs will enlighten the students and we can educate them more to be a responsible citizens in the society.

## Report on International Day of Women and Girls in Science

A M Reddy Memorial College of Engineering and Technology has conducted a program on International Day of Women and Girls in Science at college. The guest speaker on this occasion is Mrs. V. Geetha Rani, associate professor. Around 45 girl students attended the session.

Mrs. Geetha Rani explained that countless actions have been taken to incorporate women and girls in the field of science, yet there is enormous gap in the participation of women in this field.

The International Day of Women and Girls in Science is an yearly observance adopted by the United Nations General Assembly to encourage the complete and impartial approach and involvement of women in Science, Technology, Engineering and Mathematics fields. It is important today to acknowledge the analytical role women and girls play in science and technology.

Women scientists took a significant part in the socio-economic development of the nation. For over 100 years women scientists in India have witnessed their strength and compiled considerable contributions to the scientific growth of the country. International Day of Women and Girls in Science 2023 is celebrated on the theme Innovate, Demonstrate, Elevate and Advance.

### Report on International Women's Day

A. M. Reddy Memorial College of Engineering and Technology has conducted a program on the occasion of International Women's Day on March 8<sup>th</sup> 2023 at college Seminar hall.

Around 100 girl students and faculty members participated in this program. The chief guest for the program is Dr. V Naga Lakshmi, Managing Director of IMIS Pharmaceuticals, Vijayawada. Dr. V. Naga Lakshmi has interacted with all girl students and has given a valuable speech. She explained the purpose of celebrating the occasion and reminded about the great women personalities in many fields like science, technology, research etc.

The theme of International Women's Day 2023 is "Digit ALL: Innovation and technology for gender equality". She inspired our students by explaining about some women who have fought for their rights and for others rights also.

Students have performed some meaningful skits related to women and gave some dance performances also. The session was ended with greetings to all girl students and Women Faculty by Secretary Madam.

**Subject:** Request for Permission to Conduct NSS Activity

Respected Sir,

I am K. Krishna Reddy, the NSS Programme Officer, seeking your approval for conducting NSS activity at Kakani on 27/08/2022 at 9:30am. To facilitate seamless participation, we kindly request your permission to provide basic facilities, including transportation for volunteers and arrangements for refreshments during the activities. We assure responsible conduct and adherence to college guidelines, with our team and volunteers. Your approval and guidance for this collaboration would be greatly appreciated. Your support in facilitating these additional arrangements will greatly enhance the effectiveness of our community service initiatives.

Thank you sir,

Sincerely,

Mr. K. Krishna Reddy

## National Service Scheme (NSS) Activity Report on "Child Marriage Prevention Awareness Program"

**Event:** Child Marriage Prevention Awareness Program

**Date:** 27/08/2022

**Venue:** Kakani Village

**Organized by:** National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Kakani Village

The Child Marriage Prevention Awareness NSS Program, conducted with the active participation of 33 NSS students and 23 local villagers, aimed to raise awareness about the detrimental effects of child marriage and promote its prevention. The primary objective was to empower communities to understand and combat this social issue.

### Activities:

- 1. Educational Workshops:** A series of workshops were organized to educate community members about the legal and social consequences of child marriage, emphasizing the importance of education and individual rights.
- 2. Awareness Campaigns:** Volunteers conducted awareness campaigns, distributing informative pamphlets and engaging in discussions to dispel myths and misconceptions surrounding child marriage.
- 3. Interactive Sessions:** Open discussions and interactive sessions allowed participants to share their experiences and concerns related to child marriage, fostering a sense of community support.

**4. Community Pledges:** A significant part of the program involved community members taking a pledge to prevent child marriages, committing to support the education and aspirations of children.

### Outcomes:

- Increased awareness within the community about the adverse effects of child marriage.
- Empowerment of community members, especially parents and youth, to actively prevent child marriages.
- Enhanced support and protection for vulnerable children through community pledges.

**Conclusion:** The Child Marriage Prevention Awareness NSS Program, led by 33 committed NSS students, successfully fulfilled its objectives by raising awareness about the harmful consequences of child marriage and empowering communities to prevent such practices. The program plays a critical role in protecting the rights and future of young individuals.

We express our appreciation to all volunteers and community members for their active participation and dedication to this crucial cause.

## National Service Scheme (NSS) Activity Report on "Road Safety Awareness Program"

**Event:** Road Safety Awareness Program

**Date:** 12-09-2022

**Venue:** Kotappakonda Village

**Organized by:** National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with RTO, Narasaraopeta.

The Road Safety Awareness Program in Kotappakonda Village was organized with 37 volunteers and 17 local villagers with the primary objective of disseminating crucial road safety knowledge and fostering responsible behavior within the community. Various aspects of traffic rules, responsible driving habits, and the correct usage of safety gear, including helmets and seat belts, were discussed with local people.

Interactive sessions encouraged active participation from attendees, allowing them to share insights and express concerns related to road safety. Practical demonstrations were a key feature, illustrating the proper use of safety gear and highlighting emergency response procedures.

The program received a positive response from participants, indicating an increased awareness and commitment to implementing safer road practices. The NSS Unit extends its gratitude to all students for their active involvement, contributing to the success of this initiative and fostering a culture of responsibility and safety on our roads.

**Subject:** Request for Permission to Conduct NSS Activity

Respected Sir,

I am K. Krishna Reddy, as NSS Programme officer to seek your approval for conducting NSS activity at Lingamguntla on 17/09/2022 at 10:30am. To facilitate seamless participation, we kindly request your permission to provide basic facilities, including transportation for volunteers and arrangements for refreshments during the activities. We assure responsible conduct and adherence to college guidelines, with our team and volunteers. Your approval and guidance for this collaboration would be greatly appreciated. Your support in facilitating these additional arrangements will greatly enhance the effectiveness of our community service initiatives.

Thank you sir,

## CIRCULAR

It is hereby informed that the NSS unit of our institution is organizing an "Awareness Campaign on Pollution Control" in collaboration with local villagers along with Sarpanch, Lingamguntla Village on 17/09/2022. This initiative aims to raise awareness about the detrimental effects of pollution and promote sustainable practices. We encourage active participation from all NSS volunteers to make this campaign impactful. The event will include informative sessions, interactive activities, and practical tips on pollution control. Your enthusiastic involvement is crucial in making a positive impact on our environment. Interested students can register their names at with NSS PO Mr. K. Krishna Reddy on or before 16/09/2022.

## National Service Scheme (NSS) Activity Report on "Awareness Campaign on Pollution Control"

Event: Awareness Campaign on Pollution Control

Date: 17/09/2022

Venue: Lingamguntla Village.

**Organized by:** National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Lingamguntla Village.

The "Awareness Campaign on Pollution Control" organized by the NSS unit, unfolded as a pivotal initiative on 17/09/2022 at Lingamguntla Village with 33 active NSS volunteers and 22 local villagers. With an ever-growing concern for the environment, the campaign sought to enlighten participants about the far-reaching consequences of pollution and instill a sense of responsibility towards sustainable practices. The event commenced with an informative session, wherein volunteers elucidated the various forms of pollution, their impacts on ecosystems, and the imminent need for collective action. Engaging discussions ensued, allowing participants to delve deeper into the complexities of environmental degradation.

The campaign seamlessly blended theoretical knowledge with hands-on experiences. Interactive activities, such as waste segregation demonstrations provided a practical dimension to the theoretical concepts discussed. The participants actively embraced their roles as environmental stewards, displaying enthusiasm and commitment throughout the event. Practical

tips on pollution control, ranging from reducing single-use plastic to conserving energy, were shared to empower participants with actionable insights. Moreover, volunteers distributed informative pamphlets to extend the campaign's reach beyond the immediate participants. The collective efforts of the NSS unit and the enthusiastic engagement of the participants rendered the campaign not only educative but also transformative, as it sowed the seeds for a community committed to adopting eco-friendly practices.

In conclusion, the "Awareness Campaign on Pollution Control" emerged as a resounding success, leaving an indelible mark on the participants' environmental consciousness. The NSS unit extends heartfelt gratitude to all volunteers whose dedication and active involvement contributed to the event's success. Moving forward, it is hoped that the ripple effect of this campaign will continue to inspire positive environmental action, fostering a community that champions sustainability and strives towards a cleaner, greener future.

## National Service Scheme (NSS) Activity Report on Swachh Bharath at Petlurivaripalem Village

**Event:** Swachh Bharath

**Date:** 07/10/2022

**Venue:** Petlurivaripalem Village

**Organized by:** National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Petlurivaripalem Village.

The Swachh Bharat Activity at Petlurivaripalem Village was organized with the primary objective of promoting cleanliness, hygiene, and community participation. The goal was to create a cleaner and healthier environment and to instill a sense of responsibility for the village's upkeep.

### Activities:

- 1. Cleanliness Drive:** The 35 student volunteers and 15 local villagers engaged in a thorough cleanliness drive throughout the village, focusing on public areas, streets, and community spaces.
- 2. Waste Management:** Emphasis was placed on waste management and proper disposal practices. Volunteers distributed bins and educated villagers about waste segregation.
- 3. Public Awareness:** Informational sessions and awareness campaigns were conducted, highlighting the importance of sanitation, hygiene, and their impact on community health.
- 4. Community Involvement:** The active involvement of the villagers was encouraged, and they participated enthusiastically in the cleanup efforts.

### Outcomes:

- Marked improvement in the overall cleanliness and hygiene of Petlurivaripalem Village.
- Increased awareness among villagers about proper waste management and its benefits.
- A sense of ownership and collective responsibility for the village's cleanliness and well-being.

### Conclusion:

The Swachh Bharat Abhiyan cleanup event in Petlurivaripalem Village, led by 35 dedicated student volunteers, achieved its objectives of promoting cleanliness, raising awareness about proper waste management, and fostering a stronger sense of community responsibility. It contributed to a cleaner and healthier environment for all residents.

We extend our gratitude to all volunteers and the villagers of Petlurivaripalem for their active participation and commitment to this crucial cause.

**Subject:** Request for Permission to Conduct NSS Activity

Respected Sir,

I am K. Krishna Reddy, the NSS Programme Officer, seeking your approval for conducting NSS activity at Yallamanda on 31/10/2022 at 11:00am. To facilitate seamless participation, we kindly request your permission to provide basic facilities, including transportation for volunteers and arrangements for refreshments during the activities. We assure responsible conduct and adherence to college guidelines, with our team and volunteers. Your approval and guidance for this collaboration would be greatly appreciated. Your support in facilitating these additional arrangements will greatly enhance the effectiveness of our community service initiatives.

Thank you sir,

Principal

## CIRCULAR

This is to inform all students that our college Agricultural Engineering Department is going to organize an activity "Awareness Program on importance of Literacy" in collaboration with local villagers along with Sarpanch, Kotappakonda Village on 31/10/2022. The objective of the literacy Awareness Program is to raise awareness about the significance of education and literacy, especially in rural areas, to improve living standards and empower individuals. This Program aims to encourage enrollment in schools, reduce illiteracy, and foster a more informed and educated community. Interested students can register their names at with NSS PO Mr. K. Krishna Reddy and Agricultural engineering NSS committee member Mr. N. V. Ashoka on or before 29/10/2022.

## National Service Scheme (NSS) Activity Report on Awareness Program on Importance of Literacy

**Event:** Awareness Program on Importance of Literacy

**Date:** 31/10/2022

**Venue:** Kotappakonda Village

**Organized by:** National Service Scheme (NSS) Unit, A.M.Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Kotappakonda Village.

On the vibrant morning of October 31, 2022, 37 enthusiastic NSS volunteers and 20 local villagers organized a spirited Awareness Program in Kotappakonda Village to underscore the critical importance of literacy. The objective of the Awareness Program was to raise awareness about the transformative power of education and motivate the community to prioritize literacy for all ages. Led by colorful banners and placards, the volunteers traversed through the village, spreading messages that emphasized the multifaceted benefits of literacy in personal growth, economic development, and community empowerment.

The Awareness Program was complemented by engaging interactions with villagers, where NSS volunteers shared insights on the positive impact of literacy on individual lives and the broader

## CIRCULAR

It is hereby informed that the NSS unit of our institution is organizing an Awareness Campaign on Pollution Control in collaboration with local villagers along with Sarpanch, Allurivaripalem Village on 11-11-2022. This initiative aims to raise awareness about the detrimental effects of pollution and promote sustainable practices. We encourage active participation from all NSS volunteers to make this campaign impactful. The event will include informative sessions, interactive activities, and practical tips on pollution control. Your enthusiastic involvement is crucial in making a positive impact on our environment. Interested students can register their names at with NSS PO Mr. K. Krishna Reddy on or before 10-11-2022.

## National Service Scheme (NSS) Activity Report on "Awareness Campaign on Pollution Control"

**Event:** Awareness Campaign on Pollution Control

**Date:** 11/11/2022

**Venue:** Allurivaripalem Village.

**Organized by:** National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Allurivaripalem Village.

The "Awareness Campaign on Pollution Control" organized by the NSS unit, unfolded as a pivotal initiative on 11/11/2022 at Allurivaripalem Village with 33 active NSS volunteers and 15 local villagers. With an ever-growing concern for the environment, the campaign sought to enlighten participants about the far-reaching consequences of pollution and instill a sense of responsibility towards sustainable practices. The event commenced with an informative session, wherein volunteers elucidated the various forms of pollution, their impacts on ecosystems, and the imminent need for collective action. Engaging discussions ensued, allowing participants to delve deeper into the complexities of environmental degradation.

The campaign seamlessly blended theoretical knowledge with hands-on experiences. Interactive activities, such as waste segregation demonstrations provided a practical dimension to the theoretical concepts discussed. The participants actively embraced their roles as environmental stewards, displaying enthusiasm and commitment throughout the event. Practical

tips on pollution control, ranging from reducing single-use plastic to conserving energy, were shared to empower participants with actionable insights. Moreover, volunteers distributed informative pamphlets to extend the campaign's reach beyond the immediate participants. The collective efforts of the NSS unit and the enthusiastic engagement of the participants rendered the campaign not only educative but also transformative, as it sowed the seeds for a community committed to adopting eco-friendly practices.

In conclusion, the "Awareness Campaign on Pollution Control" emerged as a resounding success, leaving an indelible mark on the participants' environmental consciousness. The NSS unit extends heartfelt gratitude to all volunteers whose dedication and active involvement contributed to the event's success. Moving forward, it is hoped that the ripple effect of this campaign will continue to inspire positive environmental action, fostering a community that champions sustainability and strives towards a cleaner, greener future.

## National Service Scheme (NSS) Activity Report on "Road Safety Awareness Program"

**Event:** Road Safety Awareness Program

**Date:** 22-11-2022

**Venue:** Kakani Village

**Organized by:** National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with RTO, Narasaraopeta.

The Road Safety Awareness Program in Kakani Village was organized with 36 volunteers with the primary objective of disseminating crucial road safety knowledge and fostering responsible behavior within the community. Various aspects of traffic rules, responsible driving habits, and the correct usage of safety gear, including helmets and seat belts, were discussed with local people.

Interactive sessions encouraged active participation from attendees, allowing them to share insights and express concerns related to road safety. Practical demonstrations were a key feature, illustrating the proper use of safety gear and highlighting emergency response procedures.

The program received a positive response from participants, indicating an increased awareness and commitment to implementing safer road practices. The NSS Unit extends its gratitude to all students for their active involvement, contributing to the success of this initiative and fostering a culture of responsibility and safety on our roads.

## CIRCULAR

It is hereby informed to all NSS Volunteers that, in observance of "Pollution Control Day" an impactful initiative has been planned to address the pressing issue of environmental degradation. Scheduled for 2/12/2022 at Lingamguntla in collaboration with local villagers along with Sarpanch, Lingamguntla Agraharam, the activity aims to create awareness and foster proactive measures for pollution control. The day will encompass informative sessions, interactive workshops, and practical demonstrations, making it imperative for all volunteers to actively participate and contribute to the success of this meaningful endeavor. Your involvement in this initiative is crucial to making a substantial impact on environmental awareness and conservation. Interested students can register their names at with NSS PO Mr. K. Krishna Reddy on or before 1/12/2022.

## National Service Scheme (NSS) Activity Reporton "Pollution Control Observance"

**Event:** Pollution Control Day Observance

**Date:** 02/12/2022

**Venue:** Lingamuntla Village

**Organized by:** National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Lingamuntla Agraharam.

The Pollution Control Day observance held on the 2nd of December 2022 at Lingamuntla was a resounding success, with 32 engaging NSS volunteers and 26 local villagers in a comprehensive exploration of environmental degradation and pollution control. The activity meticulously planned with informative sessions, interactions and practical demonstrations, effectively met its objectives of creating awareness and fostering proactive measures.

The day commenced with an inaugural session that set the tone for the event, emphasizing the significance of pollution control. Informative sessions covered various aspects of pollution, ranging from air and water pollution to the impact on biodiversity and human health. Expert speakers provided valuable insights, enriching the volunteers' understanding of the environmental challenges we face.

Interactive workshops facilitated lively discussions among volunteers, encouraging the exchange of ideas and innovative solutions. Participants actively engaged in brainstorming sessions, sharing practical approaches to address pollution at the grassroots level. These workshops not only enhanced their knowledge but also instilled a sense of responsibility and commitment towards sustainable practices.

The practical demonstrations were a highlight of the event, providing volunteers with hands-on experience in pollution control measures. From waste management techniques to eco-friendly practices, participants gained tangible skills that can be applied in their communities. The practical aspect of the event ensured that the theoretical knowledge gained during the informative sessions was translated into actionable steps.

### Impact and Conclusion:

The Pollution Control Day observance was successful in achieving its objectives, leaving a lasting impact on the NSS volunteers. Participants not only increased their awareness of environmental issues but also developed a sense of duty towards actively contributing to pollution control efforts. The event's success can be measured by the enthusiasm and commitment exhibited by the volunteers, who are now better equipped to champion environmental sustainability in their respective communities. The NSS unit expresses gratitude to all participants, speakers, and organizers who contributed to making this initiative a meaningful and impactful endeavor.

## National Service Scheme (NSS) Activity Report on Swatch Bharath at Narsaraopet

**Event:** Swatch Bharath

**Date:** 14/12/2022

**Venue:** Narasaraopet

**Organized by:** National Service Scheme (NSS) Unit, A.M.Reddy Memorial College of Engineering & Technology.

A Swachh Bharat (Clean India) initiative was held by A.M. Reddy Engineering College on the 13th of December 2022. 34 dedicated NSS volunteers undertook a significant in Narasaraopet town, Guntur. The primary objective of this activity was to contribute to the cleanliness and sanitation of the town, fostering a sense of civic responsibility and community well-being. The enthusiastic volunteers engaged in a wide range of activities, including waste collection, cleaning public spaces, and promoting awareness about the importance of maintaining a clean environment.

The volunteers actively collaborated with local residents, schools, and businesses, creating a collective impact on the town's cleanliness. The Swachh Bharat activity not only resulted in visible improvements in cleanliness but also served as a platform for community engagement and awareness. The dedication and active participation of the 34 NSS volunteers underscore the

## National Service Scheme (NSS) Activity Report on "Child Marriage Prevention Awareness Program"

**Event:** Child Marriage Prevention Awareness Program

**Date:** 19-1-2023

**Venue:** Petlurivaripalem Village

**Organized by:** National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Petlurivaripalem Village.

The Child Marriage Prevention Awareness NSS Program, conducted with the active participation of 32 NSS students and 24 local villagers, aimed to raise awareness about the detrimental effects of child marriage and promote its prevention. The primary objective was to empower communities to understand and combat this social issue.

### Activities:

- 1. Educational Workshops:** A series of workshops were organized to educate community members about the legal and social consequences of child marriage, emphasizing the importance of education and individual rights.
- 2. Awareness Campaigns:** Volunteers conducted awareness campaigns, distributing informative pamphlets and engaging in discussions to dispel myths and misconceptions surrounding child marriage.
- 3. Interactive Sessions:** Open discussions and interactive sessions allowed participants to share their experiences and concerns related to child marriage, fostering a sense of community support.

**4. Community Pledges:** A significant part of the program involved community members taking a pledge to prevent child marriages, committing to support the education and aspirations of children.

**Outcomes:**

- Increased awareness within the community about the adverse effects of child marriage.
- Empowerment of community members, especially parents and youth, to actively prevent child marriages.
- Enhanced support and protection for vulnerable children through community pledges.

**Conclusion:** The Child Marriage Prevention Awareness NSS Program, led by 32 committed NSS students, successfully fulfilled its objectives by raising awareness about the harmful consequences of child marriage and empowering communities to prevent such practices. The program plays a critical role in protecting the rights and future of young individuals.

We express our appreciation to all volunteers and community members for their active participation and dedication to this crucial cause.

## National Service Scheme (NSS) Activity Report on Awareness Program on Importance of Literacy

**Event:** Awareness Program on Importance of Literacy

**Date:** 20/02/2023

**Venue:** Petlurivaripalem Village

**Organized by:** National Service Scheme (NSS) Unit, A.M.Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Petlurivaripalem Village.

On the vibrant morning of February 20<sup>th</sup>, 2023, 37 enthusiastic NSS volunteers and 16 local villagers organized a spirited Awareness Program in Petlurivaripalem Village to underscore the critical importance of literacy. The objective of the Awareness Program was to raise awareness about the transformative power of education and motivate the community to prioritize literacy for all ages. Led by colorful banners and placards, the volunteers traversed through the village, spreading messages that emphasized the multifaceted benefits of literacy in personal growth, economic development, and community empowerment.

The Awareness Program was complemented by engaging interactions with villagers, where NSS volunteers shared insights on the positive impact of literacy on individual lives and the broader societal fabric. Additionally, educational pamphlets were distributed, highlighting the various avenues and opportunities accessible through literacy. The community's response was overwhelmingly positive, reflecting a collective commitment to fostering a more informed and educated society. This NSS initiative not only celebrated the importance of literacy but also served as a catalyst for positive change, encouraging a renewed emphasis on education within the vibrant community of Petlurivaripalem Village.

**Subject:** Request for Permission to Conduct NSS Activity

Respected Sir,

I am K. Krishna Reddy, the NSS Programme Officer, seeking your approval for conducting NSS activity at Narasaraopet on 01/04/2023 at 11:30am. To facilitate seamless participation, we kindly request your permission to provide basic facilities, including transportation for volunteers and arrangements for refreshments during the activities. We assure responsible conduct and adherence to college guidelines, with our team and volunteers. Your approval and guidance for this collaboration would be greatly appreciated. Your support in facilitating these additional arrangements will greatly enhance the effectiveness of our community service initiatives.

Thank you sir,

Principal

## CIRCULAR

This is to inform all students that our college NSS Unit is going to organize an activity "Road Safety Awareness Program" in Collaboration with RTO, Narasaraopeta at Kotappakonda on 1-04-2023. This initiative aims to disseminate essential road safety knowledge and promote responsible behavior among community members. Your active participation is crucial in making our roads safer and fostering a culture of responsibility. Interested students can register their names at with NSS PO Mr. K. Krishna Reddy on or before 30-03-2023.

## National Service Scheme (NSS) Activity Report on "Road Safety Awareness Program"

**Event:** Road Safety Awareness Program

**Date:** 1-04-2023

**Venue:** Kotappakonda Village

**Organized by:** National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in Collaboration with RTO, Narasaraopeta.

The Road Safety Awareness Program in Kotappakonda Village was organized with 36 volunteers with the primary objective of disseminating crucial road safety knowledge and fostering responsible behavior within the community. Various aspects of traffic rules, responsible driving habits, and the correct usage of safety gear, including helmets and seat belts, were discussed with local people.

Interactive sessions encouraged active participation from attendees, allowing them to share insights and express concerns related to road safety. Practical demonstrations were a key feature, illustrating the proper use of safety gear and highlighting emergency response procedures.

The program received a positive response from participants, indicating an increased awareness and commitment to implementing safer road practices. The NSS Unit extends its gratitude to all students for their active involvement, contributing to the success of this initiative and fostering a culture of responsibility and safety on our roads.
