National Service Scheme (NSS) Activity Report on "Plastic Free Awareness Campaign"

Event: Plastic Free Awareness Campaign

Date: 29-1-2019

Venue: Kotappakonda Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Kotappakonda

The Plastic Free Awareness Campaign, organized by 39 dedicated NSS students and 24 local villagers, was conducted with the primary objective of raising awareness about the harmful effects of plastic pollution and promoting responsible plastic use. The rally aimed to encourage the community to reduce plastic waste and adopt eco-friendly alternatives.

Activities:

- 1. Rally March:** The event commenced with a spirited rally march through the community, led by the 72 NSS student volunteers. Banners and placards bearing anti-plastic messages were displayed prominently.
- 2. Awareness Speeches:** Along the rally route, short speeches were delivered, highlighting the environmental consequences of plastic pollution and the need for sustainable practices.

Outcomes:

- Increased awareness among community members about the adverse effects of plastic pollution.

- Active community participation in the rally and street cleanup, resulting in a cleaner environment.
- Promotion of eco-friendly practices through the distribution of reusable bags and proper plastic waste disposal.

Conclusion:

The Plastic Free Awareness Campaign, led by 39 enthusiastic NSS students, successfully achieved its objectives by raising awareness about plastic pollution, engaging the community in a cleanup drive, and promoting the use of eco-friendly alternatives. The rally played a pivotal role in encouraging responsible plastic use and fostering a more environmentally conscious community.

We extend our appreciation to all volunteers and the community for their active participation and commitment to this vital cause.

National Service Scheme (NSS) Activity Report on “Awareness Campaign on Voters Day”

Event: Awareness Program on Voters Day

Date: 25/01/2019

Venue: Ikkurru Village.

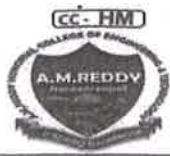

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration local villagers along with Sarpanch, Ikkurru Village

On 25/01/2019, the National Service Scheme (NSS) successfully conducted an Awareness Program at Ikkurru Village with 34 volunteers, aimed at enlightening villagers about the significance of participating in the electoral process on Voters Day. The program witnessed active participation from NSS volunteers who played a pivotal role in disseminating crucial information.

The awareness session covered key aspects such as the importance of voting, the voter registration process, and the direct impact of individual participation on shaping the democratic landscape. Interactive discussions and informative presentations engaged the villagers, fostering a better understanding of their civic responsibilities. NSS volunteers distributed pamphlets detailing voting procedures and the upcoming elections.

The event proved to be a valuable initiative in empowering villagers with the knowledge necessary for effective civic engagement. The NSS unit expresses gratitude to all volunteers

National Service Scheme (NSS) Activity Report on “Government Schemes Awareness Program”

Event: Government Schemes Awareness Program

Date: 21-12-2018

Venue: Yallamanda Village

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration local villagers along with Sarpanch, Yallamanda

The Government Schemes Awareness Campaign aimed to educate and inform farmers about the various agricultural schemes, subsidies, and incentives offered by the government. The primary objective was to empower farmers with knowledge to help them access these resources for improved agricultural practices and financial stability.

Activities:

- 1. Information Sessions:** A dedicated volunteers of 38 members explained the details of government schemes and subsidies available to farmers. This included information on crop insurance, financial assistance, and technology support. 16 local villagers also actively participated in this session.
- 2. Distribution of Information Booklets:** Volunteers distributed informational booklets and pamphlets containing concise details about government schemes, eligibility criteria, and application procedures.

3. One-on-One Consultations: Farmers had the opportunity to engage in one-on-one consultations with volunteers, allowing them to ask questions and clarify doubts about specific schemes relevant to their needs.

Outcomes:

- Increased awareness among farmers about government schemes and incentives, leading to a greater number of applications for relevant programs.
- Improved access to financial and technical support, ultimately enhancing the overall productivity and financial stability of the farming community.

Conclusion:

The Government Schemes Awareness Campaign for Farmers, led by 38 dedicated NSS volunteers, successfully achieved its objective of empowering farmers with information about government agricultural schemes, subsidies, and incentives. This campaign not only increased awareness but also facilitated practical access to resources that are crucial for the advancement of agricultural practices and financial well-being. We express our gratitude to all volunteers and the farming community for their active participation and enthusiasm in making this initiative a success.

National Service Scheme (NSS) Activity Report on “Road Safety Awareness Program”

Event: Road Safety Awareness Program

Date: 27-11-2018

Venue: Narasaraopet Town

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in Collaboration with RTO, Narasaraopeta.

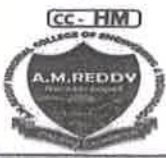

The Road Safety Awareness Program in Narasaraopet Town was organized with 34 volunteers with the primary objective of disseminating crucial road safety knowledge and fostering responsible behavior within the community. Various aspects of traffic rules, responsible driving habits, and the correct usage of safety gear, including helmets and seat belts, were discussed with local people.

Interactive sessions encouraged active participation from attendees, allowing them to share insights and express concerns related to road safety. Practical demonstrations were a key feature, illustrating the proper use of safety gear and highlighting emergency response procedures.

The program received a positive response from participants, indicating an increased awareness and commitment to implementing safer road practices. The NSS Unit extends its gratitude to all students for their active involvement, contributing to the success of this initiative and fostering a culture of responsibility and safety on our roads.

National Service Scheme (NSS) Activity Report on "Awareness Campaign on Pollution Control"

Event: Awareness Campaign on Pollution Control

Date: 03/11/2018

Venue: Allurivaripalem Village.

Organized by: National Service Scheme (NSS) Unit, A.M. Reddy Memorial College of Engineering & Technology in collaboration with local villagers along with Sarpanch, Allurivaripalem Village

The "Awareness Campaign on Pollution Control" organized by the NSS unit, unfolded as a pivotal initiative on 03/11/2018 at Allurivaripalem Village with 30 active NSS volunteers and 17 local villagers. With an ever-growing concern for the environment, the campaign sought to enlighten participants about the far-reaching consequences of pollution and instill a sense of responsibility towards sustainable practices. The event commenced with an informative session, wherein volunteers elucidated the various forms of pollution, their impacts on ecosystems, and the imminent need for collective action. Engaging discussions ensued, allowing participants to delve deeper into the complexities of environmental degradation.

The campaign seamlessly blended theoretical knowledge with hands-on experiences. Interactive activities, such as waste segregation demonstrations provided a practical dimension to the theoretical concepts discussed. The participants actively embraced their roles as environmental stewards, displaying enthusiasm and commitment throughout the event. Practical

tips on pollution control, ranging from reducing single-use plastic to conserving energy, were shared to empower participants with actionable insights. Moreover, volunteers distributed informative pamphlets to extend the campaign's reach beyond the immediate participants. The collective efforts of the NSS unit and the enthusiastic engagement of the participants rendered the campaign not only educative but also transformative, as it sowed the seeds for a community committed to adopting eco-friendly practices.

In conclusion, the "Awareness Campaign on Pollution Control" emerged as a resounding success, leaving an indelible mark on the participants' environmental consciousness. The NSS unit extends heartfelt gratitude to all volunteers whose dedication and active involvement contributed to the event's success. Moving forward, it is hoped that the ripple effect of this campaign will continue to inspire positive environmental action, fostering a community that champions sustainability and strives towards a cleaner, greener future.
