## Report on “COVID-19 Awareness Program”

The COVID-19 Awareness Program is aimed to educate and inform the community about the ongoing pandemic, preventive measures, and the importance of collective responsibility in combating the spread of the virus.

### Objectives: -

1. Raise awareness about COVID-19 symptoms, transmission, and preventive measures.
2. Encourage the adoption of safety protocols, including wearing masks, practicing social distancing, and hand hygiene.
3. Dispel myths and misinformation surrounding COVID-19.

### Activities: -

1. **Educational Workshops:** Interactive sessions were conducted by 33 volunteers by providing comprehensive information on COVID-19, its symptoms, modes of transmission, and preventive measures.
2. **Demonstrations:** Practical demonstrations on proper mask-wearing, handwashing techniques, and maintaining social distance was carried out to ensure participants grasped the importance of these practices.
3. **Myth-Busting Sessions:** Debunking common myths and misconceptions about COVID-19, emphasizing the importance of relying on accurate information from reputable sources.
4. **Community Engagement:** The program actively engaged with local communities through door-to-door campaigns, community meetings, and collaboration with local leaders and organizations. Volunteers were instrumental in facilitating discussions, addressing concerns, and encouraging community members to actively participate in the awareness activities.

### Outcomes

1. **Increased Awareness:** A significant improvement in community understanding of COVID-19, its transmission, and preventive measures was observed.
2. **Behavioral Change:** Participants demonstrated improved adherence to safety protocols, with increased mask-wearing and hand hygiene practices.

## Report on “Sanitization and Disinfection Drive”

The NSS organized a Sanitization and Disinfection Drive on 23-01-2021 with 35 active volunteers and 15 local villagers to promote a safe and hygienic environment within our community. The primary objective was to actively engage students in a collective effort to mitigate the spread of infections and ensure the well-being of all members on our campus.

### Activities:

- 1. Wide Cleaning:** Volunteers diligently cleaned village premises.
- 2. Disinfection Stations:** Strategic placement of disinfection stations to encourage regular hand sanitization.
- 3. Awareness Sessions:** Informative sessions were conducted to educate participants on the importance of sanitization and personal hygiene practices.
- 4. Collaboration with Local Health Authorities:** The NSS collaborated with local health authorities to ensure the use of recommended disinfectants and adherence to safety protocols.

### Outcomes:

- Improved hygiene standards across the kakani village, reducing the risk of infections.
- Increased awareness among residents of kakani village about the importance of regular sanitization and disinfection practices.
- Enhanced collaboration between NSS and local health authorities for effective community health initiatives.

**Conclusion:** The Sanitization and Disinfection Drive, executed by NSS volunteers with active participation, succeeded in fostering a cleaner and safer village environment. The initiative not only addressed immediate health concerns but also instilled a sense of responsibility and awareness regarding personal hygiene practices among the student community.
